

Kim Kolind, an employee of St. Albert '66 Service at the corner of Hebert Road and Cunningham Road Sunday. When the barricade erected by town staff around the perennial low spot was smashed down Saturday night, the corner became a problem for unsuspecting motorists. Mayor Ray Gibson was spotted at the scene of a number of trouble spots, which had crews hard at work Saturday when suddenly soaring temperatures caused temporary havoc.

## Annexation Plan Blasted at At C of C Dinner-Meet

Last night, Mayor Ray Gibson told about 40 Chamber of Commerce members that St. Albert wants no part of the proposed annexation proposals recently unveiled by the City of Edmonton.

Invited by the Chamber of Commerce to give the keynote address at the dinner meeting held in Club Moncombo, Mayor Gibson touched-off his talk by holding up to view the voluminous Hanson Report and said, "this is the Hanson Report, started in 1966, completed in 1968 and already outdated." He added that the report was "ridiculous to begin with and even more ridiculous now."

The mayor revealed that Edmonton has admitted it already has sufficient living space to accommodate one million people, which is the projected population of that city for the year 2,000. He called the annexation proposal "a colossal land-grab which would sterilize about 170 square miles of territory for the next one hundred years."

Mr. Gibson then told his attentive audience that St. Albert would attempt, through all avenues available, to keep the present one-mile buffer between it and Edmonton. He then explained that last year the town council of St. Albert conducted a "yes or no" survey to obtain the feelings of residents of this town. "Of an electorate of 5,581, a total of 3,517 objection ballots were cast," he said, "that represents 73% against annexation, 26%

in favor and 1% undecided." "This," summed up Mayor Gibson, "indicates without a doubt where we stand on the question of annexation."

St. Albert's mayor was his usual eloquent self and his address was well received by the Chamber.

His talk followed an appeal made by Mr. R. A. Russell who explained Sturgeon Valleyvision's plans to

serve the Sturgeon-St. Albert area with cable television facilities. Accompanying Mr. Russell was Mr. John Barnaschone, a principle of the cable television firm who also clarified the community channel aspect of his firm.

The Chamber of Commerce, chaired by president Gerry Belke approved a motion to support Sturgeon Valleyvision's proposal.

## Planners views presented to committee meeting

Planner John Woodroffe spoke informally to the St. Albert Community Committee last Wednesday evening, beginning with a brief review of the ERPC plan for the town done in 1957. He pointed out that the planning commission does not take an insular view of planning, and planned for St. Albert as part of a region bounded by Entwistle to the west, Elk Island east, Legal north and Leduc to the south.

ERPC philosophy behind the plan of growth for the town, he said, viewed it as physically separate from Edmonton, noting that the one-mile separation between the town and 137th Avenue would be more properly called an agricultural belt, than a green belt.

St. Albert is not a true satellite, said Mr. Woodroffe, in that a satellite is more or less an economic

entity, with its own industrial and commercial base. St. Albert, he felt, was not envisaged this way, and it was felt it would develop as a mainly residential area. "You are now developing a commercial life, with major employment by institutions such as the hospital and schools," he said.

The town was planned to grow on a neighborhood basis, with the idea that people would identify with their neighborhood, and a system of parkways related to schools, which worked out well in Grandin Park and not so well in other areas. Mr. Woodroffe said he personally would like to see development of ornamental parks in St. Albert.

He also felt the planning committee was a good evolution, and that a citizen

Continued on page 2.

## Separate School Board to lease more space

An agreement to lease the Mission Park School from the Sturgeon School Division No. 24 by the St. Albert Protestant Separate School District No. 6 was finalized Thursday evening at the regular meeting. All members of the board were present and the lease will become effective April 1, 1972.

A report from PSS Supt. E. G. Gish which included a complete study of the Mission Park School lease proposal was circulated. In his report, Supt. Gish pointed out in his recommendation that it would be of great advantage that the Mission Park School be leased and, "operated initially as an annex to Sir George Simpson School, pending the establishment of a new school on the Lacombe Park site and, if necessary, a new school on the West Grandin site."

Mr. Gish explained in his recommendations that the leasing of additional space will provide readily available space for pupils who cannot be accommodated in other schools. "It will also give the board flexibility in meeting the needs of district expansion pending the development of new schools," he said. He added that a delay in leasing the Mission Park building may result in losing the opportunity to use it at a later date when the enrollment problems are even more critical than they are at present.

"Leasing Mission Park School now," Mr. Gish said, Continued on page 2.

The Kinettes have issued a challenge to the Kinsmen, claiming their hockey player can "hiam it up" better than a Kinsman lady clown. President Dave Stewart wishes Kinetite Sharon McMaster good competition, while Mike Collins, standing in for Dan Sherwood shows off his attractive knees and stylish ensemble. It's all going to be part of the color and fun at the Skate-a-thon in the arena on Sunday, when Dan and Sharon will be making a number of appearances throughout the day. Meanwhile St. Albert residents will be seeing lots of young callers with pledge cards, who will be seeking support for their skating efforts to help the Kinsmen community service work. Following the official opening by the Hon. J. W. Grant MacEwan, lieutenant governor, the kids eight and under take over until noon, (11-year-olds have the next two hour stint and those 12 and over go from 2:30 until 4). People who would like to skate with their children are welcome to join in.

## Car-Truck Crash

An accident Tuesday at about 10:30 p.m. near 90 Grandin Road, St. Albert between a light delivery truck and an automobile resulted in injuries to one of the drivers and damages to both vehicles.

The 1969 I.H.C. half-ton truck, driven by Robert Douglas Cambell of R.R. 8 Edmonton was driving south and the automobile, driven by J. C. Byrne of 55 Glenmore Crescent, St. Albert was going in a northerly direction on Grandin Road when the accident occurred.

Mr. Byrne was admitted to the Edmonton General Hospital where his condition today was reported by hospital officials as 'good.'

RCMP of St. Albert are still investigating.

## Legion elects commander

St. Albert Legion hosted a zone rally Tuesday evening March fourteenth to elect a new zone 1 Commander for a 2 year term. After 3 ballots Walter Thomas from Port Sask. defeated W. Swenarchuk of St. Albert and Ed Talton of Sherwood Park.

The St. Albert Legion expressed their good wishes to Comrade Thomas for success in his new position.

Ernie Jamison, at centre back, photographed during the Monday afternoon sitting of the Legislature. Bill Purdy of the Stony Plain Constituency is seen at left and Don McCrimmon of Ponoka Constituency at right. At bottom are Tom Chambers, Edmonton, Calder, Bud Miller, Lloydminster and Hon. Neil Crawford, Edmonton Parkland. For Gazette photographer Vic Post it was his first opportunity to work in the House, following the new legislation admitting the media. See Page 18

## Separate School Board

Continued from page 1.

"would give the board sufficient time to complete necessary renovations under the Local Initiatives Program."

Before making a motion to enter into the leasing agreement, the board found that the approximate cost of renovating, furnishing and staffing the newly leased school space would amount to \$11,000. A clause of the lease agreement dealing with 'termination' was also discussed and this point will be more specifically determined when the signing authorities of both school boards meet to sign the lease. Motion was carried unanimously.

Mr. R. A. Russell spokesman for Sturgeon Valley- vision presented to the board a proposal by the cable television firm, one which would complement the schools of the area with educational

## Planner speaks

Continued from page 1.

group, if it stays independent of politics, can be a good force in the community, seeking facts at the grass roots level. Too often people take no interest unless faced with a zoning change or similar situation, which directly affects their property.

Mr. Woodroffe, and also Councillor Bakker, who was in attendance, answered questions from the small audience, regarding the gradual increase in density, overdevelopment of schools developers' responsibility, how large should the town grow, sewage and water sanitation and others.

Developers should contribute land for school sites at a very nominal price in the opinion of Mr. Woodroffe. He also felt that the increase in density from 14 to about 20 per cent was not an undue concern. On the matter of future growth, President Barry Bredder pointed out that the planning committee was not in agreement. "Some of our members would like to see a halt on growth now - others say they would not belong to such a committee if it opposed further growth."

Mr. Woodroffe speaking to a question on the proposed Allarco development said that he felt this developer should dedicate the area of the proposal which lies between the river and Sturgeon Road, as parkland, and that they could well afford to do so, if being undulating property.

television facilities. Mr. Russell asked the board, "not for a blanket endorsement for Sturgeon Valley- vision, but support which could assist the firm in obtaining approval from the Canadian Radio/Television Commission." Mr. Russell explained that Sturgeon Valley- vision had an application before the CRTC since December, 1970, "and we're very anxious to obtain local support in order to obtain our CRTC approval." Accompanying Mr. Russell were Messrs: John Barnaschone and W. Tomkins, principles of Sturgeon Valley- vision.

Trustees W. A. Penrose moved that the PSS board support, "a local cable television firm able to serve the Sturgeon-St. Albert area." The motion was approved unanimously. The motion will be confirmed by letter and directed to Williams & Wilson Ltd., consultants for Sturgeon Valley- vision and represented by Mr. R. A. Russell.

Regarding the Academic Ski School proposal, Trustee C. E. Schroeder moved that this question be dealt with at the next regular meeting. Carried.

Board Chairman J. A. Wiltshire expressed his views to the board that annual meetings, "are drawing a discouragingly small attendance and in view of this fact, I would suggest we look into the matter with a view of not holding an annual meeting next year." Trustee Penrose concurred by suggesting that, "next year, perhaps we could hold an Open House at our new Paul Kane School instead of an annual meeting."

The board agreed unanimously that annual meetings were an unnecessary expense, doing little for anyone and that plans for next year would be reviewed. However, this year's annual meeting is scheduled for Wednesday, March 22 at Sir George Simpson School.

Payment of local improvement charges and replot costs amounting to \$25,996, was approved. This was for payment of local improvement charges (\$2,664.09) and replot costs plus the ordinary costs of a building permit (\$2,332), regarding the new Paul Kane High School.

Trustee C. E. Schroeder had his motion accepted unanimously that the board review present policy regarding day care centres. The motion came from a request seeking space in the newly-leased (April 1, 1972) Mission Park School. The request was seeking

A new sound is coming to St. Albert -- that of six French Hornists who combine with their leader, Mr. John Hermans, to form the Edmonton Horn Ensemble. The Ensemble will be assisting guest artists in a Palm Sunday program for Chorus Brass and Organ being presented by the St. Albert Sing-

ers on March 26 at 8:30 p.m. in the Newman Theological College (St. Joseph's Seminary).

John Hermans came to Canada 19 years ago from his native Holland (where he received his musical training) as a bandsman with the PCCLI band. His range

of musical activities since then has been very wide. He has served as principal horn with the Edmonton Symphony, and musical director of the Edmonton Civic Musical Theatre. As an extension of his work as musical director of the St. Albert Roman Catholic Parish, he is currently conducting a group of seminarians in some of the early music of the church. A recent graduate in education from the University of Alberta, he is now teaching in Edmonton for the Separate School Board, and organizing brass ensembles in his spare time.

The Edmonton Horn Ensemble was organized in the fall of 1971, for the purpose of providing opportunities in ensemble performance to competent wind players unable to make performance a full-time professional career. They have performed in concert at St. Jose-

ph's High School and recently recorded for CKUA. In their St. Albert appearance, they will be performing works by Palestrina, Kerkorian and Wagner.

The major choral work to be heard in the program will be Part 111 of Handel's Messiah, to be sung by the St. Albert Singers and soloists Diane Nelsen, Nancy Bellis, Richard Leggett and Ronald Nelsen. Accompaniment will be provided by organist Carol Otto, and trumpeter Daniel Otteson. Additionally, a group of four lentan anthems will be performed by the Senior Choir of St. Albert United Church. Both choirs are under the direction of Lillian Upright.

Plan now to attend this Palm Sunday musical presentation. The college is located on the east side of highway #2, just inside St. Albert's southern town limits.

this space at no cost and Trustee Schroeder questioned this point.

The board passed in third reading, Bylaw No. 1/72 which gives the Board of Trustees authority to borrow by the issuance of debentures, the sum of \$33,750. This money has been earmarked for a school site in West Grandin subdivision \$22,275 and \$11,475 for another school site in La-combe Park subdivision. The monies will go toward improving and providing services to the above described school sites. All three readings of Bylaw 1/72 were made at the same meeting in accordance with Section 46 (1) of the School Act.

Before going in camera, the board approved a recommendation by the Administrators' Council that the present policy regarding Grade 12 examinations (50 per cent school evaluation, 50 per cent departmental examination) be retained. Carried.

## Golfers prepare for action

President Marsh Darling of the Sturgeon Valley Golf and Country Club is expecting a big turnout for the golfers annual spring dance coming up on March 24. The popular "Satellites" band will be on deck from 9 until one and tickets, at \$10 a couple, include a mid-night supper. Golfers are invited to bring their friends along to the gala event at the Club Moombo.

Serving with Marsh on the club's 1972 Board of Directors are: J. Graham, vice president; O. Sollany-ch, M. Tarrabain, J. Whelpley, D. Cameron, I. Dono-van, M. Kachuk, W. Fernick and W. Keeler. Mrs. Owen Cameron will continue as secretary.

Edna Bendera is arrang-

ing a spring meeting of the Ladies Golf Club, to be held Tuesday, April 14th at Moisen House, to discuss plans and events for the coming season.

## Officers Wives

The Officers' Wives Club Canada Forces Base Edmonton, are holding a Pot Luck supper meeting on Thursday, March 16 at the Officer's Mess in N'mao. Cocktails will be served at 7 p.m. followed by a short meeting and the supper. Tea cup readers will be available for those interested after the supper.

## Baby Arrivals

WED. MARCH 8 - Baby Boy Irvine, parents Gary and Diane.  
TUE. MARCH 14 - Baby Boy Radix, parents Dirk and Margot.

## Figure Skaters Busy

Instructors, mothers, members and skaters of the St. Albert Figure Skating Club are involved in a flurry of activity as the season draws to a close.

On Monday, March 27 the Alberta Recreational Figure Skating tests will be held in the arena. The "Learn to Skate" wind-up program goes Wednesday afternoon of the same week, from 3:45 to 4:45.

And everyone is working hard rehearsing for and planning the big carnival, which this year will have two performances, on April 14 and 15.

Skaters from 1st and 2nd sessions, who have not received National Test badges, may obtain them from Mrs. V. Bradley, between 4 and 5:30 p.m. on Thursday at the arena.

Bob Gibbons (at centre back) supervises his crew of young people at work Sunday afternoon in Mission Park school building, painting sets for the upcoming presentation of "See How They Run," by the St. Albert-on-Sturgeon Players. At left are Roy Pettigrew and Anna Gibbons, with Michael Keyes and David Scamel at front and Robyn Vargo at far right. The play opens next Wednesday evening at Paul Kane High School Auditorium, and runs through the 23rd, 24th and 25th.

Mr. Gibbons, who works at CFRN, moved to St. Albert two years ago, and this is the first time he has worked with the local group. But he has been involved with amateur theatre for years, and has considerable experience in charge of productions with the Alberta Opera company, civic opera, Walderdale theatre, childrens theatre and at the Citadel. At Walderdale he worked in a play by Director Ken Graham, who is doing this one. Bob oversees set building, lighting, sound and costumes and directs the "back stage" activity. Not seen in the picture are Peter Upright, on lighting and Margaret Moran, costumes. These people are not in the limelight, but it will be a case of see how they run, as final preparations are made before Tuesday evening's dress rehearsal. The fact that they don't have a theatre available adds about a third more work, and of course much must be done at the last minute when using a school gym. The play is a hilarious three-act comedy by Philip King, with a cast of talented local people under an extremely capable director. It should draw a full house every night.

**DRIVE WITH EXTRA CARE**

## Around Town

As part of Education Week projects undertaken by the Sir Alexander Mackenzie Junior High School, 90 students were introduced last Thursday afternoon at the Provincial Legislative Session by Ernie Jamison, PC member for St. Albert. The students were accompanied by Mrs. Donaleen Angus, Mr. A. Gould and student-teacher Dave McNeely.

The St. Albert Community League were going to try something different for St. Patrick's Day, with adance, refreshments and a mid-night smorgasbord. But so many people said "Why not a Festival?" that they changed their minds. A Community Hall "festival" it is, with music by the "Satellites" and the festival rate of \$3.50 per person.

Lion Moe Gerwing of the St. Albert Club enjoys some help from his Bank of Montreal staff in the Lions project selling Calgary Stampede Futurities. Last week a ticket sold by Louise Gierich, was an early draw winner, and netted Henry Bourgeois of Balmoral Drive the sum of \$20,00.

At the regular meeting of the Sturgeon General Hospital Ladies Auxiliary, a visitor from Spruce Grove drew the winning ticket in the Hippopotami raffle. Mrs. Jean Shyptka of Greenwich Crescent, upon her return to St. Albert, will be presented with the rare pink and white pair. The auxiliary members were most pleased with the generous support they received in St. Albert for this project.

The St. Albert branch of the Royal Canadian Legion were host for a Zone 2 Rally at the Legion Hall Tuesday evening. The local legion will have their membership drive underway next week, under chairman Art Robinson, and Dennis Taylor reminds the members and their friends of the St. Patrick night, when Tommy Ramsay will be entertaining at the organ Saturday evening.

The Sturgeon Heights Junior High boy's basketball team will participate Saturday, March 18 in a tournament where seven schools will be involved. Admission is only 50¢ and all spectators are urged to attend.

Last Saturday, the Sturgeon Heights Junior High girls' basketball team defeated the Gibbons girls, at Gibbons by a tight final score of 15 - 11.

The Burning Bush Circle of the Braeside Presbyterian Church held their monthly meeting on March 6th at the home of Susan Vanderstraeten. Among other business the rummage sale to be held on Saturday, April 15 at the community hall was discussed.

## Letters to the Editor

### Meteors criticized

The Editor:  
If I were a citizen of St. Albert I would be ashamed to call myself a hockey fan. I was at a hockey game on March 9, at Legal, between the St. Albert Meteors and Gibbons, of the Sturgeon River Senior Hockey League. The game was the first of a best of five final, for the Senior B Division. All throughout the game the few St. Albert people who were there were hurling insults at the Gibbons fans, instead of cheering their own team on.

The St. Albert team did not show much sportsmanship and played the game, it seemed, with a chip on their shoulders. What really got me was during the third period when Gibbons started putting in the goals, the St. Albert team were getting more and more penalties and at one point the St. Albert coach grabbed the referee by the neck.

Minutes later, one St. Albert player took a swing at the referee with his stick and the scorekeeper, from St. Albert, threw the score sheet on the ice and walked off. They were no doubt crying that the referees were biased, but Gibbons received their share of penalties, also and accepted them as they were called.

By the way, Gibbons won the game.

Ron Coley,  
A Gibbons Fan.

One small boy to another:  
"Of course I know the facts of life. 'Eat your vegetables and wash your hands.'"  
"Yesterday I made a hole in one," sighed the enthusiastic sportsman. "Today I caught a 425-pound marlin, and I don't dare tell anybody . . . they'd think I was lying."

### School concerns

The Editor:

In Albert Lacombe School two Grade 6 classes have lessons in one combined class of approximately 80 - 85 pupils. Since many years it was always a goal to have a class of 25 - 30, because supervision, concentration, etc. are best. I'm really concerned. I talked to the principal and a teacher, but neither could give a real explanation and neither could give me an idea why this type of class should be better for our children.

A great concern too are the new report cards. Without an added explanation to these magic numbers you hardly know how your kid is doing. How can a teacher after 1 1/2 months know where the capacity of your

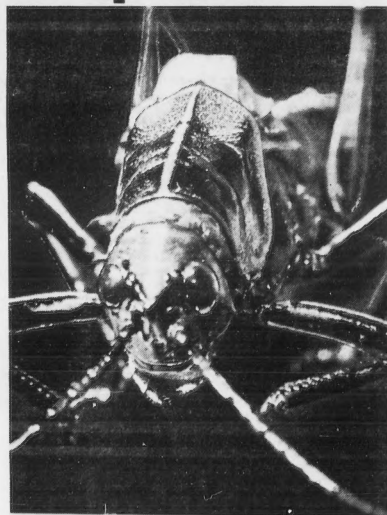

child is, when you as a parent are sometimes puzzled about it. And you know your child eleven years. Some subjects like science and math can be valued only in concrete marks. How else can a kid learn to keep fit in a world of competition. I would like to hear what other parents think about it.

Rolf A. Jauch,  
Mount Royal Drive.

Personnel Manager:  
"Now, tell me why you want to go to work for us."

Applicant: "Well, I got sick and went to see my doctor. He gave me five pills and told me to take one after each meal. That was three days ago and I still have four pills left."

## competitor

Man has billions of competitors in the rough game of survival — insects and plant diseases could strip the earth of food if not controlled by nature and by man.

When pests and diseases threaten crops, the Pest Control and Crop Protection Branch of the Department of Agriculture is there to help. In emergency situations, chemicals are provided at cost to counties and municipalities for redistribution to stricken farmers.

Field workers carry out the branch's never-ending program of inspections so that plant diseases and insect infestations do not strike unnoticed. A program of applied research ensures that the branch has at its disposal the most effective methods of cultural and chemical control against harmful insects, birds and animals.

Volunteers do more than 90 per cent of the work carried on by the Canadian Red Cross Society. The Canadian Red Cross Society plays an important part in international disaster and developmental assistance. Each year the funds contributed help provide medical materials and technical aid to countries in many parts of the world. Last year over \$1,000,000 in aid was sent to countries in need, by and through the Canadian Red Cross.

## Vital Grandin Students Hold Operation Muk-Luk

It was 'Operation Muk-Luk' Tuesday afternoon for over 500 students of Vital Grandin School. The concentrated activities of these elementary school students, under the direction of Mr. Jim Tymo brought to a head the school's second annual winter carnival.

In September of 1971 the school was divided into four houses, sub-divided into juniors and seniors, where the total enrolment was divided equally. In alphabetical order of about 125 students per house. These four sectors (or houses) bear the names of Blackfoot, Sloux, Commanche and Apache.

During the year, each house accumulates points through special projects. At the end of the school year, these points are tabulated and the winning 'house' is awarded the trophy. Last

year the Apache House was awarded the trophy.

On Tuesday, while marking the annual carnival event, students from grades 1, 2 and 3 carved out of

snow a wide array of statues while those of grades 4, 5 and 6 participated in a three-pronged project of water boiling, broomball and tobogganing.

# Emergency department sometimes misused at Sturgeon General

To go or not to go, that is the question. Whether 'tis nobler in the mind to suffer the 'bellyache' 'til tomorrow's doctor's appointment, or to go to Emergency now, and with action end it.

As customary in all active treatment hospitals, the Sturgeon General Emergency is open 24 hours a day to serve the needs of the people resident in the hospital district.

Emergency departments are primarily for the treatment of medical and surgical emergencies and accident cases. However, in the last decade or two this concept has evolved to include much non-emergency work and so Out-Patients services grew to be almost universally a part of the normal workload of "Emergency" departments. This is perhaps the second most controversial issue facing health services personnel today.

Below are listed briefly, and in order of precedence, the types of situations met by the department:

1. True Emergencies: life threatening, e.g., heart attack, motor accidents, poisonings, shock, burns, etc.
2. Serious Medical Emergencies: appendix, croup, asthmatic attacks, etc.
3. Major and Minor Injuries: broken bones, lacerations, burns, etc.
4. Sudden medical problems, outside of normal doctors' office hours.

At all times, before coming to emergency, the patient should phone his doctor for in true emergency, he can be on his way there too, and thus save valuable time, also, your doctor can advise whether it is necessary to go to the hospital.

St. Albert is fortunate in having a very dedicated medical community who have always responded, posthaste, in emergencies,

often arriving ahead of the patient. Even in less urgent cases, the time lapse between the calling and the arriving - in emergency - of the doctor has yet to exceed 15 minutes!!! Bearing in mind that there are no resident doctors at the hospital and that each doctor takes his turn to be on call for a 24-hour period to man the department, this record is highly commendable.

However, the public must bear a responsibility not to abuse this service by bringing non urgent problems which could wait until the doctor's office is open. Crying wolf could spell disaster for somebody someday! On coming to Emergency the patient has usually first contacted his doctor, but in the event that he is unable to do so, or that he has no doctor, the doctor "on call" at the hospital will be contacted by the Emergency Room nurse and he will give any necessary treatment.

It should be noted that, of necessity, for the security of patients and staff at night, the innermost doors of the Emergency Entrance are kept locked from midnight until 7 a.m. Between the two sets of doors is a bell and intercom which brings a fast response.

If Hamlet had got smartly up the hill to the Sturgeon General Hospital Emergency (with all its sophisticated life support systems) Will Shakespeare's tale could well have had a happy ending. But, alas, poor Hamlet lived in the "good old days"!!!

Our apologies to Mr. Shakespeare for the taking of liberties.

## St. Albert High News

By Karen Donalds

The Chuggers put up an excellent fight in Calgary last weekend for the Provincial "B" basketball event in their first game they lost by one point against St. Paul, who they played and defeated once before. They then played Delburne and lost this game also by one point in the final 30 seconds.

The annual Share-A-Lent March will take place on Good Friday from St. Albert to Villeneuve and back. This march includes only the grades 9, 10, 11 and 12 students. Sponsor sheets are available at the general office. For more information contact Ray Huberdeau Sharon Willas or the Parish.

Canadian volleyball championships will be held at the University of Alberta on March 17 and 18. It will include the top Canadian teams. Cost - \$2 inclusive, \$1 for the finals, or \$1 per day.

Said the boss to his secretary: "Make about 20 copies of this so that we can run across one when we need it."

## Cubs Thrilled With Weekend At Rundle Lodge

Thirty-six Cubs of the 3rd St. Albert Pack thoroughly enjoyed a winter camp weekend at Robert Rundle Mission, March 4-5. Despite a few minor inconveniences brought about by frozen water services, Cub leaders and their young charges (ages 8-11) report a very enjoyable weekend adventure.

During their two-day weekend, the Apaches, Commandantes and Crees took part in tobogganing competitions, snow shoeing and a host of other winter sporting activities. Saturday evening, everyone participated in a sing-song and story-telling session in the huge Robert Rundle Mission Lodge on Pigeon Lake.

The leaders who accompanied the Cubs were: Apache-Howard Grant and Ben Tooth, Commandante - Mel Parkins, Fred Martin and Arni Peterson, Cree - Dennis Gibson, Harold Kay and Doug Wilson.

Junior was being chided for his low marks in school. Little Robert, who lived a few doors away, was held up as a shining example.

"Robert doesn't get Cs and Ds, does he?" asked the father.

"No," Junior admitted. "He gets As. But he's different. He has very bright parents."

All 36 Cubs and leaders returned home Sunday evening, tired but very pleased with their weekend. Dennis Gibson of the Cree Pack told

the Gazette that the leaders were also in charge of cooking while their young charges took care of "mess duties."

## ST. ALBERT RECREATION

### OUTDOOR SKATING:

The outdoor skating rinks are now closed for the season - which is a sure sign that winter is almost over. LEARN TO SKATE:

A wind-up party will be held at the arena on Wednesday, March 29 from 3:45 to 4:45 p.m. for all the members of the learn-to-skate classes. These include the children who were in the classes which were held before Christmas as well as those in the classes which are now coming to an end.

Mrs. Grace Lotocki, division head of the learn-to-skate program, hopes that everyone will attend and join in the fun.

### SOCCER:

Registrations for the soccer program for boys between the ages of 8 and 18 years are being accepted at the recreation department in the town hall.

BASEBALL: Registration forms will be distributed next week through the courtesy of the schools and registrations will be accepted at Sir George Simpson School, Grosvenor Blvd., on Saturday, March 25 and Saturday, April 1 from 1 - 3 p.m. on each day.

This program for boys between the ages of 8 and 17 is once again being sponsored by the St. Albert Lions Club and the Knights of Columbus. They will be looking for coaches and umpires - keep it in mind!

### SOFTBALL:

Registration day for the girls softball program, sponsored by the Hercules Sports Association, will be Saturday, March 25. More details will be announced next week and registration forms will be distributed through the schools.

### GOLF:

No more registrations can be accepted for the learn-to-golf school which is at present in progress at St. Albert High School.

## Pool concerned about shipping

Alberta Wheat Pool members and the public deserve to understand that the movement of non-board grain, particularly rapeseed and flax to overseas markets, is being curtailed by lack of shipping, notes AWP in a news release. Existing sales commitments by Alberta Wheat Pool have been jeopardized through cancellation of country shipping requested, on several occasions in November, and the cancellation of a request for 200 cars for rapeseed and 80 cars for flax in Week 23, (January 3rd to 8th).

Alberta Pool pursues an active and responsible sales campaign throughout the year in order to dispose of the largest volumes possible of off-board grains. These sales are in the interests of Pool members. It is important to understand that Alberta Wheat Pool requests for boxcars in connection with the above mentioned sales are very moderate in view of the Pool's immediate total need, which is for 500 cars of rapeseed and 300 cars of flax. Alberta Pool is very conscious of the need to use Canadian port facilities to the best advantage in this year of heavy shipment

Clearly (a) is risky, (c) is usually expensive, and (b) often results in Alberta Pool supplying grain stocks originating outside Alberta.

Alberta Wheat Pool emphasizes the fact that it understands the need for occasional readjustment of country shipping requests. Changes in anticipated arrival dates of ocean vessels and the need to maintain working capacity at the port are valid reasons. Neither of these situations pertains in the case of Alberta Wheat Pool at the present time.

requirements for all grains; as a result, shipping requested by the Pool is only for named sales.

Cancellation of shipping requirements to accommodate named sales results in one of three actions by Alberta Pool.

(a) Purchase on the futures market of sufficient futures to cover potential shortages.

(b) Purchase of rapeseed and flax stocks from other companies holding existing stocks at the port.

(c) Renegotiation of the contract to a later date.

There were about 62 million acres of hay harvested in the United States during

1969 according to New Holland and farm equipment engineers.

## Sports

### Comets win thriller over Cold Lake in playoff action

St. Albert Comets played perhaps their best game of the year Saturday night in St. Albert and it couldn't have come at a better time. Going into the game Comets were down three goals to Cold Lake Packers in the two game total goal series as a result of a 6-3 loss last Sunday in Cold Lake.

When announcer Sid Lip-tak introduced the players Comet coach Ken Schwartz saw that Cold Lake had only 13 players dressed including two goalies.

AL LAPLANTE

Schwartz's strategy was to change his three complete lines rapidly and try and tire out Cold Lake. He got immediate results as hard working Jim Read took a pass from Brian Stevens and slid it by the Packer goalie at 4:28 of the opening period. Ten minutes later Al Laplante barged in

Read's rebound and put the Comets only one goal behind. Then at 16:05 defenseman Les Yanchuk let go a slap-shot from the point that tied the game much to the delight of the hometown crowd.

Comets continued to press in the later stages of the period but couldn't find the target. The first period ended 3-0 for the Comets and 6-6 for the two game total.

St. Albert came out in the second and for the first 10 minutes showed very little of their first period form. As a result Cold Lake scored goals at 3:12 and 8:30 for an 8-6 lead and missed some other good chances to increase their lead.

At 9:20 Laplante scored his second goal of the game on a hard drive from close in with Linemates Read and Doug Bell drawing assists.

In the next five minutes Comets really poured out the pressure and missed many excellent chances. At one point goal judge Larry Whitchell winked the red light when Laplante had what appeared to be a sure goal. Just as it was about to go over the line it somehow caught something on the ice and hit the post. The puck was immediately cleared out to the point and Yanchuk drilled it in to tie the game.

Needless to say, Comet fans were quick to spot Mitchell's mistake and gave him a few new names such as "Quick trigger," "Red-light," and a few others

M. CARRIER

that are unprintable.

Comets at this point were in control of the game and at 17:28 Captain Fred Hesse scored from about 20 feet out on a perfect pass from Joe Cassidy and Rick Pugliese. They raised their lead to two goals at 18:44 when Allan Hewko slapped in a long shot from just inside the Cold Lake blue line. With two periods of play finished Comets were ahead 10-8.

As in the second period Cold Lake dominated the early half and scored three consecutive goals at 3:14, 5:25 and 11:32 to once again lead the series 11-10.

At 15:47 Terry Dube took a pass from Hewko and John Arnot at centre ice and let go a hard slap-shot just as he crossed the blue line. Cold Lake goalie Les Day had no chance on it as it caught the inside of the post. Dube's marker tied the game 11-11 with just over four minutes remaining to play.

Old pro Jim Read put on a dazzling display of puck control in front of Cold Lake's goal before he showed it past Day for the game winner at 17:01. Linemates Bell and Laplante drew assists.

At 19:03 Bell scored the insurance marker after Laplante had missed from close in. Final score 13-11. Coach Schwartz and Manager Rene (Max) Poulou had lots of praise for all players and thought the win was well deserved.

Referee Ron Panchyshyn had complete control of the game and handed out 10

minor penalties, eight to the Comets.

The win now advances the Comets to the second round

JIM READ

of the Intermediate C playoffs against Barrhead Chiefs. They travel to Barrhead Thursday for the first game of the two-game total goal series. Game time is 8:30 p.m.

On Sunday Barrhead comes to St. Albert for the second game which gets underway at 8 p.m. sharp. Comets are playing excellent hockey now and it is well worth the \$1 adult admission to see them in action. The team will appreciate support of the fans along the playoff trail.

### Two Wheelers.

The St. Albert Bicycle Club held its first meeting of the year last Friday at the Library. The meeting opened with the film "Of Sport and Men" and then the acting president, Peter McCaffery, explained to the prospective members that this year there would be two sections of the club. . . a recreational side for those who are not interested in competitive bicycling, and a racing section for the "Fast Boys."

Alberta Bicycle Association District Chairman Geoff Peters, a St. Albert resident, talked to the members about the 1972 racing schedule and the importance of good preparation for training and racing. Tineke Oederheyde led a discussion on possible activities for the recreational section.

The next meeting of the club, when a slate of officers will be elected for the year, will be on Friday, March 24 at the Library meeting room. It is hoped to have the film "60 Cycles" on hand. This film is about The Tour of St. Lawrence bicycle race and is excellent entertainment.

Anyone wishing for further details about the St. Albert Bicycle Club, please contact: Tineke Oederheyde at 599-8209 or Ernie Collinridge at 599-7634.

### Sabres Lose Close One

Saturday, March 11 St. Albert Sabres travelled to Irma for a midgeet one-day hockey tournament.

In the first game the Sabres were matched against Two Hills in what turned out to be quite a hard-hitting action. Two Hills scored the opening goal but St. Albert came back quickly and scored four goals in a row to go ahead 4-2, which it turned out to be the final score.

The second game was a great match as the St. Albert team was paired up with Marwayne, the toughest hockey club in the area. Once again the other team

Marwayne. At the 1:45 second mark Sabres pulled their

SCOTT BALLENTINE

goalie in favor of the sixth attacker, Scott Ballentine, who was up to the occasion and he potted the fifth and tying goal to push the game into overtime.

In overtime St. Albert tried to keep puck control, but through a defensive error in their own end, they lost the puck and it was passed out front and Marwayne pounded it past Sabres Cary Winquist.

In both games goaltending was excellent as Nickerson and Winquist shared the goal duties.

The Sabres are entered in the Adrossian tournament which takes place March 31. No game draws have yet been announced.

KRIS NICKERSON

scored first. But St. Albert came back with Steve Hoffart tying it up at 12:08 of the first.

The second period saw all Marwayne's as they scored four goals to move out in front 5-3. Gary Ferguson and Jim Hole handled the Sabre scoring in that frame.

The third set turned up lots of action and some fantastic puck control. Dave Grice rammed one past goalie R. King early in the period, on a great end in end passing play, to pull St. Albert within one goal of

# Bruin racing team prepares for season

The first meeting of the Bruin Hotel Racing team was held at the St. Albert Library on Friday, March

these clothes. She agreed and used a Belgian Jersey as a pattern. The result was one of the best jerseys

to run a weekend training clinic on racing tactics to which all the racing bicyclists in the Edmonton area

Three members of the Bruin Inn Cycle Racing Team pose for photographer Vic Post following their first meeting: Karl Schneider, left and Peter McCaffery of St. Albert and Lee Cameron of Edmonton.

10th in conjunction with the St. Albert Bicycle Club meeting.

The team discussed plans for the coming season's racing and arrangements were made to outfit the team with their racing jerseys. These are being made locally by Mrs. Sharon MacFarlane of Glenmore Crescent.

After enquiring about prices and delivery dates from several European manufacturers, the team captain asked Mrs. MacFarlane if she would undertake the job of making

sees seen by any of the team.

The Bruin Team intends to concentrate on winning team awards, rather than individual placings, and part of its training will be concentrating on team tactics. In fact they are planning

will be invited.

When team manager Albert Hauptman comes back from holidaying in Spain at the end of the month, the team hopes to have placed well in the first two events of the season, thus justifying his confidence in them.

## Recreation Board News

By Carl Royan  
JUDO:

Judo classes will be starting shortly in the Horse Hill school. The instructor for the sessions will be Ed Dobson who has a black belt. The date the lessons will take place will be decided Wednesday the 15th. Anyone interested in attending, contact me for further information.

SWIMMING:  
It is possible to set up swimming lessons in Edmonton, probably in the East Glen Pool, for groups from Sturgeon. The cost would be no more than \$3 per person for a two-week set of lessons. This cost can be decreased if there are enough taking the lessons. Lessons would last one hour each for five days. The instructors are well qualified so whether you are a beginner or an accomplished swimmer the lessons

ons would be of a benefit to you. In order to reserve the pool I must know how much interest there is so talk it over with your neighbors and let me know at 256-3321 or 424-6276.

CULTURAL ACTIVITIES:  
Another area that I have had inquiries about is the cultural aspect of recreation such as music, drama, painting etc. I would like to get activities such as these started as soon as interest warrants them. Instructors are available in all of these and I have been informed by Mr. Walter Kaasa, of the Cultural Development Branch that he will assist us in every possible way to get these activities off the ground.

I would like to be contacted about special interest in this aspect of recreation, so programs can be started.

## LEAGUE LOW DOWN

By Larry Mitchell

By using an ineligible player the Calgary Power Kegs dropped from first to last place in the six-team St. Albert Men's Commercial League.

High scoring Link Drynan was suspended from league play and all games he participated in were forfeited, and the win given to the other team. Drynan was playing for another commercial league team in Edmonton which was not in accordance with St. Albert's rules.

As a result St. Albert Esso (teachers) moved into top spot with 28 points, followed by Kinsmen Warriors with 25. Grandin Gulf and National Life have 19 each. Premier Esso hold down fifth spot with 16 and Power Kegs have 3.

On Monday night Kinsmen doubled the score on National Life winning 8 - 4. Terry Moore and Tom White led the way with a pair each, while singles went to Jamie Burton, Larry Mitchell, Fred Calkins and Doug Woods.

There is only one week left in the regular schedule before the playoffs start on March 27.

The playoffs will be a A - B affair with teams 1 - 3 - 5 in A and 2 - 4 - 6 in B. Winners of A series will play B champions for the new Edmonton Valve and Fitting trophy.

Commercial League standings as of March 13, 1972 are as follows:

|                 | W  | L  | T | P  |
|-----------------|----|----|---|----|
| St. Albert Esso | 13 | 3  | 2 | 28 |
| Kins. Warriors  | 12 | 6  | 1 | 25 |
| Grandin Gulf    | 9  | 8  | 1 | 19 |
| National Life   | 9  | 9  | 1 | 19 |
| Premier Esso    | 7  | 9  | 2 | 16 |
| Calgary Power   | 1  | 16 | 1 | 3  |

## KINSMEN MINOR HOCKEY

SHAYERS:

Panthers, led by Joseph Ainsley's "hat trick" and James Sander's two goals, defeated the Badgers 5 - 1. J. Swift scored the lone Badger marker.

Wolves beat the Cubs in a 6 - 1 contest on Monday. Jim Holden got two along with N. Odanga's two. With singles coming from D. Bennett and D. Laplante, Russell Kane spoiled M. Brown's shut-out bid.

PEEWEE B:  
Sunday in the arena the Oilers beat the Legion 4 to 1. Scoring for Oilers was Colin Tooth and Michael O'Hara with two each, Bill Bossman scored for Legion.

Kings shut out K of C 3 to 0 with David Caron scoring twice and a single to Dary Wakefield, Dennis Lafleur posted the shutout

for the Kings.

Red Wings beat the Mustangs 5 to 3. Scoring for the Wings was Gary Leddy with two and singles to Martin Holden, Kevin Key and Teddy Savole. Scoring for Mustangs was Burns with two and Rossiter with one.

BANTAM B:  
Lancers with two goals from Don Ouellette and singles from Blake Millroy and Rick Fowler handed Black Hawks a tough 4 - 3 loss. D. Marlon handled two goals for the Hawks while Darrel Bokenfohr potted the single.

BANTAM A:  
With some great goaltending from Doug Belley the Canadians moved by the Maple Leafs 2 - 1. Canadian scorers were Nugent and Boudreau, while Larry Moore fired the single for the Leafs.

## Skate-a-thon Spells Aid for needy causes

By J. A. Grave

On Sunday March 19 at around midnight, if you see a tired, maybe slightly unruly, bunch of people leaving the St. Albert Ice Arena, chances are they will be Kinsmen and Kinettes who will have just come to the end of a long day putting on their Skate-a-thon. A day that started around 7 a.m. and an event that started some four months and numerous committee meetings ago.

Tired people? Yes, but happy also in the knowledge that once again they have, through the response of the citizens of St. Albert, been able to raise more money to churn back into commu-

nity projects. This is what Kinsmen is mainly about "To serve the community's greatest need."

Admittedly the original idea of the Kinsmen Organization was that young men could meet and find fellowship, but it soon became apparent without objects to aim at other than this, the organization would play little part in the life of the community. Now many people have secretly wished that they could become involved in community life and yet never brought themselves to make that commitment.

Kinsmen make that wish a reality.

St. Albert is, of course,

the place we are immediately involved with, and to name a few projects the Kinsmen have undertaken I would mention the children's Tot Lots, Kincinema, organization of minor hockey, organization of the Rodeo, purchase of a bus, provision of the ice plant for the ice arena. It would be appropriate also to mention the Kinettes in this context as, besides providing attractive decoration to many occasions, they help in many different ways, and also have many projects of their own, such as the recent Heart Fund Campaign.

To serve St. Albert, we need your help and that is why we are running, if that is the right term, the skate-a-thon on Sunday and why we hope that once again, the people of this great community will respond.

In response to several requests we have decided to accept reasonably comparable amounts pledged below the one cent minimum requested - but please everybody, no headaches like last year when we had numerous computations such as 57 laps at 5/8 cent per lap. By 11 p.m. such figures start to make the head whirl.

See you at the arena, your arena.

The average family of four in the United States eats about 1,000 pounds of fruits and vegetables each year.

## Dennis Henke Named B of M Account Mgr.

Additions and a transfer in the Bank of Montreal, St. Albert staff recently resulted in increasing the bank's force from 10 to 11.

New account manager is Dennis Henke, who was formerly assistant manager of the Lynnwood Branch in Edmonton.

Mr. Henke joined the staff of the B of M at Edmonton in 1968 and then served at two Edmonton branches before being appointed assistant manager at the Lynnwood Branch in 1970.

The new B of M account manager here is married to Francoise and they have a two-year-old son Richard. Mr. Henke enjoys coaching the Bank of Montreal football team and is also interested in curling and soccer.

Mr. and Mrs. Henke and son Richard will take up residence in St. Albert at the end of the month.

A well-known B of M staffer, Chuck Newell who was the bank's accountant here was recently transferred to Calgary. Replacing Chuck is Robert Smith from the Chancery Hall Branch of the B of M in Edmonton. St. Albert B of M Branch Manager M. H. (Moe) Gervin said, "We now have a staff of 11 here and feel that we're in an excellent position to give our customers the kind of services they deserve."

DENNIS HENKE ACCOUNT MANAGER

### Town of St. Albert

(A COMMUNITY SERVICE TRUST)

## PUBLIC HEARING

The Council of the Town of St. Albert having been given authority under Section 119 of the Planning Act 1970 R.S.A., as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone the most southerly one hundred and ten feet (110') throughout of Lots 1 to 10 inclusive, Block 2, Plan G1, S.A.S. presently zoned Residential Comprehensive (RX) to Residential One Family (R1c) and

THAT the remainder of Lots 1 - 10 inclusive, Block 2, Plan G1, S.A.S. presently zoned Residential Comprehensive (RX) be rezoned to Park (P).

to "P"  
to "R1c"

The proposed Bylaw #6/72 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 3rd day of April, 1972 at 8:05 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 28th day of March, 1972. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

D. B. O'Connell,  
Secretary-Treasurer.

### Town of St. Albert

## Notice of Intention

Notice is hereby given that the council of the Town of St. Albert deem it advisable to close and sell that portion of Edmonton Road as shown on registered plan 1941 NY of riverlot 51, St. Albert Settlement, which lies north and east of the extension of the south westerly lot line of lot 38 U in block 12 reg'd plan 1941 NY of riverlot 51, St. Albert Settlement.

Section 175 of the Municipal Government Act, Chapter 246 R.S.A. 1970 provides that council, subject to the approval of the Minister of Highways, may pass a bylaw for this purpose.

Bylaw #10/72 has been prepared and will be presented to council on April 3, 1972 for first reading and will then be submitted to the Minister of Highways for his approval prior to the final passing thereof.

This notice shall be published each week for two consecutive weeks, the last of which will be on March 15, 1972.

Before the passing of this bylaw, a person who claims that land in which he is interested as owner, occupier or otherwise will be affected prejudicially by the bylaw and who petitions to be heard, shall be afforded the opportunity to be heard either by himself or by his agent in accordance with the said act.

Any person owning or otherwise interested in land that sustains damage through the closing of the aforementioned lane shall be compensated for such damages in accordance with the said act.

Written petitions to the proposed bylaw will be received by the Secretary-Treasurer at his office until March 28, 1972.

D. B. O'Connell,  
Secretary-Treasurer.

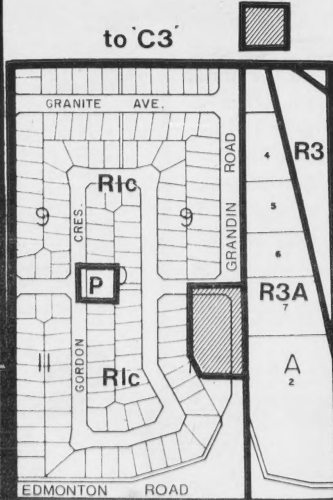

### Town of St. Albert

## PUBLIC HEARING

The Council of the Town of St. Albert having been given authority under Section 119 of the Planning Act 1970 R.S.A., as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone Lot 40, Block 11, Plan 1105 M.C. presently zoned Residential Comprehensive (RX) to Commercial Class 3 (C3).

The proposed Bylaw #7/72 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 3rd day of April at 7:35 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 28th day of March, 1972. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

D. B. O'Connell,  
Secretary-Treasurer.

## 1971 FISH & GAME TROPHY WINNERS

The above sportsmen were awarded trophies at the St. Albert Fish & Game Association banquet and trophy ball held here last Friday. (Top) J. P. Roy, Walleye, donated by Sam's Cycle Shop; his son Henry Roy, Arctic Grayling, donated by F & G Association; Russ Chamberlain, Rainbow Trout, accepted for Ed Meede, donated by F & G Asso. (Photo 2) Pete Montpetit, Moose, donated by Roger's Esso; Laurier Rivard, White Tailed Deer donated by St. Albert Pharmacy; Lee Height, Black Bear, donated by Reggie's Hardware. (Photo 3) Maurice Montpetit, Lake Trout, donated by Safeway; Adrien Gamache, Lake Whitefish, donated by F & G Asso., Andy Williams, Perch, donated by Chris's Groceries; Carl Sommers, Northern Pike, donated by F & G Asso. (Bottom) Adrien Gamache, Elk, donated by Imperial Oil Agent, Leo Maurer, Mule Deer, donated by St. Albert Texaco; Earl Chimko, Mallard, donated by Harsim Construction. (Left) Albert Lesburg, Pronghorn, donated by Hutching's Shoes. Walter Frank was awarded a trophy for membership, donated by F & G Asso., sorry but photo not available.

## 30 local models will show styles at Fashion Show

Many local models will be featured at the annual Fashion Show of the St. Albert WI, being held at Father Jan School on Friday evening. Fashions and accessories are by Woodward's, whose fashion co-ordinator Vivian Maie will comment on the new styles and accessories as they are being shown by the models.

Children's clothes will be shown by Paul Pinco, Sheila Bokenfohr, Bradley Cunningham, Shelley Ward, Christine Robinson, Irene Cournoyer, and Jeff Gibson.

Teen models are Yvonne Ehl, Julie Lesburg, June Bordo, Vivian Bendeck, Cindy Murray, David Page, David Garrett, Ray Huberdeau and Darrell Kremer.

Men's fashions are shown by Bob Prather, Pat Lockhart, Eric Robinson, and Ray Evans.

Women's fashions are shown by Florrie Speare, Elsie Snider, Bernadette Bourbonnais, Betty Daley, Elsie Lockhart, Raymonde Brunelle, Pat Hudson, Janice Evans, Mrs. E. Franche and Judy Simpson.

Tickets will be available at the door, from the models or any WI member.

Mrs. Linda McPhee, from the Arts and Crafts Centre, was the guest of the WI at their February meeting and spoke on leathercraft. She showed how easily useful articles such as purses, slippers, mittens, belts, broaches and other articles

can be made out of scraps of leather, and old fur or pile coats. The meeting was held at the home of Mrs. S. Taylor on Swallow Cres.

Marilyn Henry demonstrated for the 18 members present, many ways for using all kinds of cardboard boxes. Covered with pictures cut from magazines various sizes and shapes of boxes were transformed into jewellery boxes, toy

boxes, book boxes and so on. Sadie Adams reported on the recent bake sale held at Safeway, which was a successful project.

## Canadian Imperial Bank of Commerce All Set to Open Monday

A new banking facility will open for business here in St. Albert Monday, March 20 at 10 a.m. Present for the opening ceremonies will be vice-president and regional general manager for Alberta, Mr. Gordon H. Lennard of the Canadian-Imperial Bank, Calgary.

Doing the ribbon-cutting honors will be St. Albert mayor Ray Gibson after which the doors of the new premises will be swung open to the public. All week, starting after the official opening, local manager, D. G. (Dennis) McConnell said light refreshments will

be served.

Located at 20 Sir Winston Churchill Avenue, the new Canadian-Imperial Bank, St. Albert branch will be the 162nd in Alberta and the first Chalgex-affiliated bank in St. Albert.

Leasing approximately 2,000 square feet of floor space in the newly-constructed complex, the St. Albert branch of Canadian-Imperial will employ a personnel of four including the manager. This will include an acting accountant, a ledger-keeper and one teller.

At the time of writing, the spanking new premises

of the bank were undergoing final touches, while another crew was busy setting up new desks, counters and other facilities. Newly-appointed manager, Dennis McConnell promises that everything would be in complete readiness by opening day.

Mr. McConnell was born and educated in the Peace River area. Upon graduating from high school in 1959 Mr. McConnell joined the staff of the local Canadian Imperial Bank as a junior clerk. From there he was transferred to Chetwynn, B.C. where he worked for two years. He then moved

to the Dawson Creek, B.C. branch where he stayed for only three months. From there, he was transferred to Whitecourt, Alberta where he remained for two years before going to Edmonton and working there for about six months. From Edmonton, Mr. McConnell was moved to Beaverlodge and worked there for a period of two years. Next in his long list of transfers came Ponoka for 18 months then moved back to Dawson Creek for a period of three years, during which time he became assistant-manager. Mr. McConnell's posting

to St. Albert is his first as a full manager. "It's especially gratifying to me to be posted here," he said, "because this is not only my first posting as a manager but it's also the first time the Canadian-Imperial Bank offers its services to residents of St. Albert and surrounding area."

The Canadian-Imperial's new manager is married, his wife's name is Rosemary (Peggy) and they have three children, Jean 8 who is in Grade 3, Lory 6, in Grade 1 and 2-year-old Jill. Mrs. McConnell and family are still living in Dawson

Creek until a residence is arranged for here in St. Albert.

Mrs. McConnell will be present on March 20th for the opening of her husband's new bank.

Mr. McConnell is a member of the Klansmen Club and said he will apply for a transfer to the local Kin Club. He is also an avid golfer and curler.

Mac's Convenient Store manager Guy Shade and his wife Gloria are justly proud of their new grocery outlet here in St. Albert. It's the largest in square footage of the 11 stores which make up the Mac's chain in the whole of the Edmonton area. Besides being the wife of Guy Shade, manager of Mac's, Mrs. Shade is also the sister of Edmonton's mayor Dr. Ivor Dent.

## Mac's Convenient Store locates in St. Albert

Since January 13 of this year Mac's Convenient Store located at 29 Sir Winston Churchill Avenue makes the 11th link of the new Mac chain in the Edmonton area. Mac's in St. Albert, located in the new shopping complex which includes the Canadian-Imperial Bank and Weber Bros. Realty, is the largest of the Mac line and boasts of the most up-to-date facilities.

Manager and assistant manager Guy and Gloria Shade of 13 Mural Cres., St. Albert told The Gazette that Mac's here in St. Albert is one of a giant chain of over 400 similar grocery and confectionary outlets across Canada.

After operating their own business for 23 years in Prince Albert, Saskatchewan, Mr. and Mrs. Shade took it easy for about one year, enjoying holiday trips

throughout the United States and just generally taking a long over-due rest. However, boredom set in and last January they took over management of St. Albert's new Mac's Store.

Leasing almost 2,000 square feet of floor space from Cloverlawn Investments Ltd., of Vancouver, Mac's employs, besides Mr. and Mrs. Shade, two part-time employees, Olive Pellerin and Valerie Osborne, both of St. Albert. During full weeks of service, starting at 7 a.m. to 11 p.m. daily, seven days each week, Mac's offers a complete line of groceries, confectionary and meats "at competitive prices."

Mr. and Mrs. Shade are the proud parents of two sons, Martin, 19 and Lionel, 13, both of whom live at home and are attending school.

The three smiling ladies shown above have a good reason to be happy. They're all realtors with Weber Bros. Realty Ltd. St. Albert branch and were awarded bonuses for acquiring top production performance during the 1971 fiscal year. Presentation of the bonuses was made by Mr. J. A. Weber, president of the company. From left to right are: Mrs. Roni Lantinga, Mrs. Janet Williams and Mrs. Therese Bourgeois. Standing in the back is Mr. Weber and at the top of the steps is R. (Gordon) McIndoe, manager of the St. Albert branch office.

## New Site For Weber

A new office for Weber Bros. Realty Ltd. was opened early in February of this year but it is by no means a new arrival for this pioneer realty firm in St. Albert. Weber Bros. Realty Ltd. first came to St. Albert back in 1966 where it was located at 192 St. Albert Trail for six years.

Today, the ultra-modern office, occupying over 900 square feet of floor space in the new complex situated on 29 Sir Winston Churchill Avenue, is the seventh Weber branch office of this giant realty network.

Managed by R. (Gordon) McIndoe, this Weber Bros. Realty branch office employs three realtors and two secretaries. The space the new office occupies is under the same roof as Mac's Convenient Store and the new Canadian-Imperial Bank, a modern building complex the above three firms lease from Cloverlawn Investments Ltd. of Vancouver.

Weber is acting as agents for Cloverlawn Investments. Back in 1966 when Weber Bros. Ltd. opened its office in St. Albert the staff consisted of Mrs. Therese Bourgeois and Mrs. Roni Lantinga. During the ensuing years, new additions were made to the staff and finally today St. Albert has one of Weber's most modern offices and one of the firm's most active branches, dealing in all kinds of realty sales and services.

Manager R. (Gordon) McIndoe, a resident of St. Albert, is married to Gail and their two children are Dawn, 11 and Jeffrey, seven years old.

Mr. McIndoe's staff includes Mrs. Therese Bourgeois who has been with the

firm for six years, her husband's name is Bernard and they have seven children; Mrs. Roni Lantinga, also a realtor, has also been with the Weber firm for six years, and is also a resident of St. Albert. She's married to Sabe and they are the parents of three children; The third realtor on staff is Mrs. Janet Williams, also a resident of St. Albert, her husband is Ken and they have three children.

To round out the staff there is Mrs. Lisa Waunch, secretary, a St. Albert resident and her husband's name is Norman. The evening secretary is Mrs. Marilyn Page, she is married to Eric and they have four children.

Mr. McIndoe graduated in 1970 from the University of Alberta, Dept. of Extension after completing a three year course in advanced real estate theory and practice. This program was sponsored by the Canadian Institute of Realtors and leads to the professional designation of Fellowship of Realtors Institute.

When asked for a bit of crystal-ball-gazing, in relation to realty aspects for the coming year, Mr. McIndoe refused to predict anything. However he did say that he anticipates an excellent year, "providing current mortgage fund conditions prevail." He explained that the market at present is favorable, especially for the type of housing required in the St. Albert area.

Mr. McIndoe is a member of the St. Albert Kinmen, a director of the Curling Club and an active member of the Chamber of Commerce.

## LOCAL AUTHORITIES BOARD

IN THE MATTER OF "The Municipal Government Act":

AND IN THE MATTER OF "The Local Authorities Board Act":

AND IN THE MATTER OF "The Administrative Procedures Act":

AND IN THE MATTER OF a petition by the Council of the Town of St. Albert, Alberta requesting annexation of certain territory lying immediately adjacent thereto.

TAKE NOTICE that a petition has been presented to the Local Authorities Board by the Town of St. Albert, requesting annexation to the said Town, of the following described territory immediately adjoining the Town and lying within the Municipal District of Sturgeon No. 90, in the Province of Alberta:

FIRSTLY: All those portions of River Lots Twenty (20) and Twenty-One (21) in the St. Albert Settlement, in the Province of Alberta, which lie north of a line drawn parallel and concentric with the perpendicularly and radially distant forty-nine and five-tenths (49.5) feet north of the centre line of the Canadian Northern Alberta Railway as shown on Railway Plan 6054 A.O., and all those portions of River Lot Twenty-two (22) in said settlement, lying to the north of the present boundary of the Town of St. Albert in the Province of Alberta, Canada. SECONDLY: All of Lots Twenty-A (20-A) and Twenty-one-A (21-A) in the St. Albert Settlement, in the Province of Alberta, and all that portion of Lots Twenty-two-A (22-A), twenty-three-A (23-A), twenty-four-A (24-A), twenty-five-A (25-A) and twenty-six-A (26-A) and Parcel E as shown on filed Plan 392 E.O. in said settlement which lies south of a straight line drawn from a point on the easterly limit of the original government road allowance adjoining the east boundary of the north west quarter of Section Eight (8), Township Fifty-four (54), Range Twenty-five (25), West of the Fourth Meridian, said point being Six Hundred (600) feet north of the point of intersection of the said east limit and the south limit of the original government road allowance adjoining the south boundary of the said North West Quarter of Section Eight (8), to a point on the easterly boundary of said Parcel E, as shown on Filed Plan 392 E.O. two thousand and six hundred (2,600) feet northerly of the north east corner of Block E as shown on filed Plan 2229-R.S. and all that portion of the original government road allowance adjoining the south boundary of the said north west quarter of Section Eight (8), lying south of a line thirty-three (33) feet perpendicularly distant southerly from and parallel with the south boundary and the production thereof easterly sixty-six (66) feet more or less and lying east of the production north westerly of the westerly boundary of said Lot Twenty-A (20-A) and all those portions of said Lot twenty-six-A (26-A) and River Lot twenty-seven (27) subdivided as shown on Subdivision Plan 6843 M.C. and all that portion of the original government road allowance which lies between the south boundaries of said Lots twenty-A (20-A) to twenty-two-A (22-A) and the northerly boundaries of River Lots Twenty (20) to twenty-two (22) and all of the original government road allowance adjoining the westerly boundary of said Lot twenty-three-A (23-A) and lying to the south of said straight-line and all the original government road allowance adjoining the southerly boundaries of said Lots twenty-three-A (23-A) to twenty-six-A (26-A) and including the intersection of said road allowances at the south west corner of said Lot twenty-three-A (23-A) all in the said settlement.

The Board will hold a public hearing of the matter of the petition in the Community Hall, St. Albert, Alberta, on Thursday, the 30th day of March, 1972 at 9:30 a.m.

It may be that you are a party whose rights will be varied or affected by the Board exercising its statutory authority in granting or refusing the annexation application and you are hereby notified that if you wish to make any representation in this regard you may, on or before Thursday, the 30th day of March, 1972, file such written submission with the Board, or appear at the aforementioned public hearing.

In the event that no valid written representation is filed or spoken to as noted the Board will proceed to deal with the petition on the basis of evidence presented at the public hearing.

DATED at Edmonton, in the Province of Alberta, this 10th day of March, 1972.

W. C. Elliott, Secretary,  
Local Authorities Board,  
#101 Revillon Building,  
10201 - 104 Street,  
Edmonton 14, Alberta.

# Nickerson school holds open house

The majority of parents and students from the Leo Nickerson attendance area

were at the school on Wednesday evening, March 8, for the Open House activities.

Eric Broadner, a grade five student works on his investigation of the Crystallization of Snow Flakes.

Left to right: Earl McKenzie, Kent Middleton and Brad Duttall, grade six students with their project "The Atomic Age."

les.

The major attraction was the Science Fair, held in the gymnasium. Twenty-six student projects were on display. The projects were judged, beginning at 3 p.m., by Mr. J. Curilla from Robert Hundle School, and Mr. Hugh Phillips, from Sir Alexander Mackenzie School. All students had put a great deal of work into their projects. Mrs. K. Gahuk, the science teacher at Leo Nickerson, was in charge of the activity.

In order to provide for continuity from year to year, one project is chosen from grade four student entries, three projects from the grade five student entries, and two projects from the grade six entries. The winners will compete at the Edmonton Regional Science

Fair to be held at the Jubilee Auditorium on April 14 and 15.

The following projects were shown by the judges: Grade Four - Solar System: Cathy Thronsdon and Shawna Thronsdon.

Grade Five - Snow Flakes: Eric Broadner; Oil: Ronald Nymeyer; and Danny Penrose; Rocks: Janet Smith.

Grade Six - Gasoline and Diesel Engine Exhausts: Greg Carline and Kim Jacobs; The Atomic Age: Brad Duttall, Kent Middleton and Earl McKenzie.

Numerous classroom projects were also on display throughout the school, and in the library.

An interesting collection of pictures taken by Alice Bauman of various school activities was on display in the corridor of the school.

Janet Smith, a grade 5 student exhibits her rock tumbler and some of her work.

## The School Act, 1970

(Section 7)

## PUBLIC NOTICE

BY-LAW NO. 1/72

By the Board of Trustees of the St. Albert Protestant Separate School District No. 6 of the Province of Alberta.

WHEREAS it is deemed expedient by the Board of Trustees of the St. Albert Protestant Separate School District No. 6, of the Province of Alberta, that the sum of Thirty-Three Thousand Seven Hundred and Fifty DOLLARS (\$33,750) should be borrowed on the security of the said District by issue of debentures repayable to the bearer in Twenty-five consecutive annual instalments with interest at the rate of not more than nine per cent (9%) per annum for the following purposes, namely:

Improving and providing services to:

a) a school site situated in Block Thirty (30) in the West Grandin Subdivision in the Town of St. Albert at an estimated cost of .....

\$32,275

and  
b) a school site situated in Block Six (6) in the Lacombe Park Subdivision in the Town of St. Albert at an estimated cost of .....

\$11,475

TOTAL .....

\$33,750

THEREFORE, notice is hereby given by the Board of the said School District that unless a poll of the electors of the said School District for and against the said debenture loan is demanded, as provided by Section 104 of The School Act, 1970, the said Board will apply to the Local Authorities Board for authority to borrow the said sum by issue of debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

James Wiltshire,  
(Chairman)

Dated at St. Albert this 9th day of March, 1972.

INSTRUCTIONS TO ELECTORS PETITIONING FOR A VOTE ON A MONEY BY-LAW IN A SCHOOL DISTRICT (Sections 2 (e), 3 and 104 - The School Act, 1970)

"Elector" for the purposes of petitioning for a vote on a debenture by-law means a person:

- 18 years of age or older,
- who is a Canadian citizen or British subject, and
- resident, in the case of petition, in a district or division for at least the 12 months immediately preceding the day on which the petition is presented;

A poll respecting the aforementioned borrowing may be demanded in a School District by preparing and submitting to the School Board a petition for a vote in accordance with the provisions of Sections 2 (e), 3 and 104 of The School Act, 1970.

The petition must be signed by at least

- 2 per cent of the electors in a district or division having 10,000 electors or more, or
- 5 per cent of the electors in a district or division having less than 10,000 but 5,000 electors or more, or
- 10 per cent of the electors in a district or division having less than 5,000 electors but 500 electors or more, or
- 15 per cent of the electors in a district or division having less than 500 electors,

and be filed with the Board within 15 days of the last publication in a newspaper of the public notice of the proposed debenture borrowing.

St. Albert

## PUBLIC HEARING

The Council of the Town of St. Albert having been given authority under Section 119 of the Planning Act 1970 R.S.A., as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to amend Schedule "C" of the Zoning and Building Bylaw of the Town of St. Albert No. 23/71 by adding under Institutional (SP) - Permitted Development the words "medical clinics."

The proposed Bylaw #9/72 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 3rd day of April, 1972 at 8:35 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 28th day of March, 1972. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentation will be recognized.

D. B. O'Connell,  
Secretary-Treasurer.

Left to right: Kim Jacobs and Greg Carline, grade six students comparing effects of diesel and car exhaust on plants.

Dan Penrose and Ron Nymeyer show a model of the original oil derrick used throughout Alberta. They are grade five students.

Cathy and Shawna Thronsdon, grade four students with their project showing the relationships of the sizes of the planets.

# It's not Coincidence...

that Crosstown Motor City wants you to know they care.  
That's why striving for the highest degree in excellence  
has become a

## CROSSTOWN MOTOR CITY TRADITION!

How much can you afford to pay for a newer car? Considering the facts can put you in the right car... at the best price! Have you ever asked yourself, "How much can I really afford for a newer car?" A consumer expert, writing in an international newspaper counsels: Don't pay more than half in monthly car payments than you pay for your living quarters. "Our 18 years of experience proves this to be sound advice, though you may reasonably pay more or less, depending on your transportation needs, family size and the importance that a new car plays in creating a profitable business appearance. You should also consider the importance of buying the right car to match your driving needs. One with enough room to accommodate your passengers, sufficient horsepower to efficiently operate any accessories, and if you want extra economy... an engine that will burn on regular gasoline.

Whatever you want in a newer car, we stand ready to answer your questions and satisfy your needs. We would like you to become one of our many satisfied repeat customers! That's why we try to sell you the automobile that you'll be most pleased with now and after the sale. To insure your satisfaction, we maintain a complete staff of qualified mechanics. Come in soon and compare our deal. Get the best car for your needs and be assured of expert, efficient service after the sale. You buy better value when you buy at Crosstown Motor City!

## Susy Atkinson Honored by Lacombe community

A well-known former resident of St. Albert, Mrs. Susy Atkinson was feted recently in Lacombe, when more than 250 residents of the town and district gathered for an appreciation night honoring her contributions to the community.

A highlight of the presentations was a plaque presented to Mrs. Atkinson by the chairman of the Lacombe Nursing Home Board, which has recognized her efforts by naming the lounge in the Home after her. She was also presented with a money tree on behalf of the community.

Taking part in the ceremonies, and paying tribute to Susy were representatives from the Lacombe Council on Aging; the Board of Trade; Uniformed Fireview United; Church Women; Spruceville Ladies; and the Town and County of Lacombe.

In addition a message from Dr. More, director of the Red Deer Health Unit was read.

The program was held in the United Church and Rev. B. H. Thackeray acted as master of ceremonies. A variety of musical selections and an interesting presentation of Mrs. Atkinson's activities and involvement in public service was read. Ladies of three rural districts served a late supper to conclude the evening.

Mrs. Atkinson, who lived on the farm property which later became the Holy Cross cemetery on St. Albert Trail

left St. Albert about 17 years ago. She was also an able and active supporter of community affairs in St. Albert, and was here on the occasion of the Women's Institute Anniversary last year, being a charter member. Her picture hangs in the St. Albert Library, as a tribute to her early work in this field.

## We like Book Fairs - local residents

Residents of St. Albert took to a Book Fair like the proverbial ducks to water and found it a real fun affair, reports Anne Hapchyn of the parents French group. The gym at Simpson School was literally lined with used and new books and somewhere in the neighborhood of 2,500 disappeared at the Fair. Many people enjoyed the book exchange idea and asked if the Fair could become an annual event.

The French group are parents and friends of the students who are working to help send some 20 young

people to Laval University in Montreal this summer for a special course in French language. The Book Fair realized over \$500 and the group were thrilled with the support of local people. \$170 was received in donations from local businessmen including: Klondike Inn; Roger's Esso; St. Albert Texaco, R. Parenteau; Grandin Gulf; Sturgeon Royallite; Grandin Esso; Johnson's Meats; Chriss's Grocery; 7-11 Store; Canada Packers; St. Albert Pharmacy; Medical Centre Drugs; Coffee Corner at Grandin Shoppers Park;

## Cleaning & Decorating? - the Library has help

By Rosemary Michie

At long last the weather has turned warm, the snow is melting and spring-cleaning and redecorating are upon us.

Useful books in Section 643 are "The Practical Encyclopedia of Good Decorating and Home Improvement;" "Better Homes Handyman's Book;" "Manual of Home Repairs" and others. For difficult cleaning jobs "How to Clean Everything" (648) and the inimitable "Mrs. Beaton's Cookery and Household Management" should make

the chores easier.

To perk up winter-jaded appetites there is a wide selection of cookery books (641) including the popular "Galloping Gourmet." On the other hand people who have gained a few pounds might enjoy "The Doctor's Wives Thinking Thin Cook Book;" "Shape Up Program" or "Let's Eat Right to Keep Fit." The Teen-Age Diet Book" (613) is an excellent book for the teenager to read, full of down to earth advice and appealing, slimming recipes. Special dietary problems are covered in "Recipes for Allergies" and "The Diabetic Gourmet."

So much of the house-

wives time and money are spent at the supermarket that an inside look into its operation and selling techniques are most intriguing. Two books on this are "The Darlings, The Mystique of the Supermarket" (658) and "The Innocent Consumer vs. The Exploiters." For mail order shoppers "The Armchair Shoppers' Guide" is a change from the usual catalogue.

Easter is nearly here and for anyone planning to sew a new outfit there are some sewing instruction books in Section 646, "Sew Simply, Sew Right," "Better Homes and Gardens Sewing Book," "Sewing The Easy Way," "Tailoring" among others.

Dairy Queen; Clifford Wolfe - Taxidermist; Old Dutch Chips and some who did not wish to be named.

Next project the groups is organizing in aid of the trip, is a dinner date at the Community Hall on April 14th.

# Jamison aims salvo at Hanson Report in maiden speech at the Legislature

## MR. SPEAKER

At the most delightful party hosted for us recently by the Lieutenant-Governor Grant MacEwan and Mrs. MacEwan, I thought to myself - who will ever replace this man? What a job it will be to follow this man!

And what a job it is to follow my colleagues in this House, after the calibre of speeches we have heard here in the past week.

Seventeen years ago I wrote an editorial advocating a Hansard for Alberta. Continuously this matter of a Hansard was brought before the Executive Council of the former government . . . but always it was ignored.

To see this job accomplished it has taken 17 years and an August housecleaning. Wasn't it a grand house-cleaning?

Open government is now at work . . . and we must never spoil it with any amendments which will stifle the media.

And 24 hours after Hansard was approved the open government policy of this government was expanded even further by admitting television - radio and news photographers into this assembly. . . . A first, I believe in the British Commonwealth.

Now on this day . . . an important day in my life, I realize that what I say now and in the future in this House, will go into that record. Which is good for my constituents . . . and good for every voter in Alberta.

Let me say first . . . Mayor Dent and his council notwithstanding . . . the Hanson Report notwithstanding . . . the Edmonton Journal's editorials notwithstanding . . . the vast majority of the people of St. Albert and MD Sturgeon have no desire to become part of a concrete jungle . . . and something called greater Edmonton Unitary Government.

What we really need is to encourage growth already started, in centres within the orbit of Edmonton, With open areas between those centres.

Morinville, Fort Saskatchewan, Spruce Grove, Leduc, Bon Accord, Gibbons and St. Albert are developing as healthy towns. Good towns where those people who choose not to live in the city can pursue their own life style. Where they have, and exercise, a vigorous voice in their own affairs . . . through the councils they elect and serve upon.

When I observe, week after week . . . every Monday night, the number of delegations heard by the council of the Town of St. Albert . . . I can only say it is absurd to believe that all these groups and individuals could be given this time and attention by a Greater Edmonton Unitary Government . . . when St. Albert would have perhaps one representative on that authority.

Mayor Dent said Friday that conflicts will be inevitable if satellite towns are allowed in the region.

For that matter conflicts are occurring all the time within Edmonton Council . . . and between Edmontonians and their council.

Rightly so. That is how open government works. Another mayor . . . Mayor Lindsay said sometime ago that New York "is impossible to govern."

I believe that Unitary Government for this whole region would mean that the people would have less and less say in municipal affairs. And that would be a step in the wrong direction. I say it is BUREAUCRACY that is INEVITABLE . . . costly bureaucracy . . . if one council controls the vast area proposed in the Hanson Report.

Let me say for the record . . . that in the four years I serve here, I will never cease to fight for the independence of St. Albert and the Municipal District of Sturgeon!

Using all the resources at my command . . . and those resources include many able, informed, intelligent people in the St. Albert Constituency. People who are prepared to make a STAND for a way of life they have chosen for themselves . . . and for the children who come after them.

Our Premier, Peter Lougheed, speaks well and truly for Albertans, - when he says we should not allow Alberta to become a province of two giant cities, I believe there are far too many Albertans who will suffer much if Edmonton becomes a second Chicago - and Calgary a second Los Angeles. WE MUST TAKE A NEW DIRECTION NOW!

The history of St. Albert predates that of Edmonton. Father Lacombe's missions at St. Albert and Lac Ste. Anne - were the earliest settlements in what is now Alberta. His bridge in St. Albert was the first West of Winnipeg. When the Hudson Bay Company wrote him to tear it down, he said "Let them come and do it." The bridge stood.

In the seventies, we too, like Father Lacombe, may have to resist pressure from big companies, if Albertans are to keep control of the single most important asset we have - the LAND. If we cover good fertile land with concrete - houses - industrial and commercial development - we have lost it forever!

We should never lose sight of two facts: 40% of Canada's Gross National Product comes through Agriculture - and one job in three in Canada is related to this basic industry. This industry that depends on the land.

Mr. Speaker, let us look at who is presently in control

of land use in this area described in the Hanson Report. I suggest to you that in the Edmonton area, land - and therefore land use - is to a considerable extent in the control of a handful of very large developers.

What does it cost these giants - and they are not all Albertans - nor Canadians - to exercise this control? Is it, in fact, PRECIOUS LITTLE by way of dollar investment? Do options not hold large blocks of this land at little expense - until that point in their plans when the developers know their profits will soon start rolling in?

In this context, Mr. Speaker, let us look at the infamous Hanson Report. - My choice of word, admittedly. The mayor of Edmonton and his council commissioned this report. They think of it - not as infamous - but as GOSPEL.

In St. Albert, We have held a plebiscite. The opinion of our residents is now plainly evident. The people of our town do not want to be part of Edmonton, in Edmonton, no poll has been taken of the residents opinion of the Hanson Report recommendations. And I suggest to you, Mr. Speaker, that large numbers and perhaps a large majority of Edmontonians have no wish to see their city grow to the extent proposed in that report!

Is this pressure to increase Edmonton's area to 292 square miles . . . which may be compared to New York's 310 . . . in fact an empire-building scheme of a mayor and council - and big business interests in the city? A council and a segment of society who are not in tune with the times? If developers can control land use in given areas at little expense . . . and then reap large profits - so, perhaps, can the provincial government. BUT I hope it doesn't have to come to that.

The large developers who control so much of our residential development in this region must therefore . . . in my view . . . pay more attention to public housing of high standards - to improving home building design - to the thinking of the Edmonton Regional Planning Commission and to the clearly expressed wishes of the people for open areas at little expense.

When I say our land is our most valuable resource . . . I am thinking of its value to people. We are familiar with the high-sounding campaigns of the Soviets on the theme of human resources - the captivating idea that they considered PEOPLE our most valuable resource.

Had they really thought so, Mr. Speaker, would we now be facing a situation where the pioneers who built this great rich province, now find they cannot get into Auxiliary Hospitals . . . often though in urgent need? At the other end of the age scale . . . the HAVE province has provided neither kindergartens nor day care centres.

So this new government has marked out some new directions . . . and already begun work to implement them. I'm proud to be part of the government team. I've come to know all of these men . . . and take note, Loyal Opposition, - although most of us have never before served in this House, we 48 will not be easy target for your front bench Combined, we 48 have a massive experience in so many fields - and that experience will TELL us in this House - long before any 36 years roll by! We have advanced so rapidly in technology and electronics - biology - genetics . . . and have accomplished so much using these tools . . . that society seems to be in danger of letting the tools and the people who invent and operate them . . . take over. The idea seems strong in society that what CAN be done, by technology, MUST be done. If a computer CAN be built to take over a task . . . it must be built, in the name of efficiency or progress?

The young people were the first to become uneasy . . . and fearful. My own son, home from a social studies class at age 13, said . . . "But Dad . . . I don't want to grow up and just be a consumer."

And the cry of students at Berkeley in 1964 . . . "I am a human being . . . do not fold, spindle or mutilate." And why was it a COMPUTER, that the students at Sir George Williams College smashed.

I bring this thinking to your attention because I am of the opinion we should move with care in adopting new technology. It is expensive for Canada, with our smaller population and our government must watch expenses. And we do not want to think of human beings first.

The most important part of governing has got to come down to the best use of money. Money from taxpayers and income from all sources. Which means setting priorities, and when we wish to establish priorities, we have to separate the wheat from the chaff. This in my view . . . is the most important task before this Legislature . . . and a subject to which I have been giving much thought.

Where do we cut . . . where do we increase . . . where should we try to hold the existing LINES? The mechanics fall to our provincial treasurer. But in broad outline let me review some areas deserving of increases . . . and some where we might expect decreases . . . as I see the situation.

We increase those areas of spending which will expand markets for all agricultural products and preserve our arable land. And an increase in this area must tie in a grid road program.

We increase funds to build viable healthy secondary industry in Alberta . . . and thereby build a bona fide job market, "Bonafide Jobs" as opposed to make work

projects which are mainly a stop-gap action.

We have no recourse whatsoever, but to greatly increase spending to improve and preserve our environment. This could become a matter of life or death in the next generation if the increase is not provided.

I see no answer to increased expenditures for education. We can only hold the rate of increase down as low as possible each year. We must start educating our children at age three . . . surely television has taught us that! And most urgently our poor and underprivileged children.

We must SPEND for kindergartens and for day care centres.

We could I believe decrease costs for equipping high schools considerably by taking out fridges - stoves - sewing machines, typewriters and business courses, power tools and shop equipment.

Students wanting these programs could be served by leaving school after Grade 11 and completing their last year in a technical school or business college. They would come out at the same age much better trained in their preferred field. They would also be much more interested in the final year of their schooling . . . and the drop-out rate could fall.

We must spend for auxiliary hospitals, nursing homes and facilities for the retarded and handicapped . . . until we have caught up in these areas which were so sadly neglected by our previous administration.

If we increase spending for day care, kindergartens and secondary industry, I believe we can begin decreasing considerably our spending for welfare. Until we get major economic measures provided for, I believe we must question whether the provincial government should be involved in something called social development and preventive social services.

Do people really want government reaching into this corner of their lives? When they do want help there are many existing agencies and volunteer bodies available to them - such as Marriage Counselling and Alcoholics Anonymous to name only two. I suggest that GOVERNMENT can help more by providing employment and housing. These two needs looked after, would accomplish much more in preventing social difficulties for our people, and so deserve the priority in spending.

But . . . and let me emphasize this . . . preventive HEALTH services, including expanded guidance counselling for children, and HEALTH UNIT PROGRAMS, are needed.

I have said it before, Mr. Speaker, and I say it again . . . money spent on creating a department for youth, would have been better spent on creating secondary industry leading to good jobs for youth. My "wheat from the chaff" thinking. Culture and recreation are two areas of government which play a most significant role in our time. Work in both these fields will be increasing at a rate which will keep even that bundle of ENERGY and IDEAS . . . Horst Schmidt . . . plenty busy as a minister.

Further decreases I have no doubt can be made . . . and substantial decreases in spending . . . by doing another housecleaning job this summer and streamlining every corner of every department for improved efficiency in administration and the use of funds.

This speech - my first in the Legislature - gives indication of where I will be standing during my term of office. It is really a stand for a way of life in my constituency - and in this province - a way of life I think Albertans are seeking.

We have to spend more money in the most important areas to achieve these goals and this way of life. Which means we have to spend less money in other areas - which may be deserving - but in my view are not as important.

Before I sit down, I would like to congratulate Gerry Amerongen on his election to the office of Speaker of this assembly. For I am certain he will serve this important office with distinction and with dignity.

## Horse Hill Cubs Paper Drive Saturday

People in the Horse Hill school area can get spring cleaning underway this week and give a boost to their energetic Cub pack at the same time.

The boys of 1st Evergreen Pack and their leaders are conducting a Paper Drive on Saturday (March 18th) and are asking district residents to save newspapers, telephone directories, old paper-backs, cartons and boxes for pick-up. Drive gets underway at 9 a.m.

Alan Tovey, secretary-treasurer for the pack reports that a recent bottle drive netted the Cubs \$118, which will go into their training program, and the

boys were thrilled with the co-operation of the district people.

Since Evergreen pack was formed last October, membership has stayed at 30 strong, and under Cubmaster Jack Young and six leaders fine progress is being made by the surprisingly large rural pack.

Because of the interest shown in Cubs, consideration is now being given to a Scout troop as well, and anyone who would like to see a troop formed is asked

to telephone Mr. Tovey at 799-3258.

Looking ahead the Cubs are planning weekend hikes with the Waskaganah Trail Association, and will apply for a group membership. The association is working a section at a time, on a 200-mile nature walk to loop around the city, and Mr. Tovey did a winter walk on the section from the Leuduc ski lift to Prairie Hill, not long ago. Church parades are also planned for the spring and fall this year.

## Morinville seniors finish in grand style

By Paul Krauskopf  
Morinville Seniors played their last league game in the Sturgeon Valley Senior Hockey League on Feb. 24 in Legal and defeated Villeneuve by a score of 7-3. Scoring for Morinville were Marcel Tourangeau twice, O'Neill Chevalier twice with singles going to Richard Wright, Guy Chailoux, and Roger Chailoux.

This win gave Morinville 27 points only two points behind fourth place Namao and a record of 12 wins, 3 ties and 9 losses with 98 goals against and 108 goals for. Top scorers for Morinville were O'Neill Chevalier with 15 goals and 44 assists, Marcel Tourangeau 24 goals and 10 assists, Richard Wright 9 goals and 18 assists and Terry Maslyk 13 goals and 12 assists.

In semi-final playoffs in B division, Morinville is playing Gibbons due to the fact that Bon Accord dropped out. As of March 4, Gibbons leads two games to one in the best of five.

In Provincial Playdowns Morinville Seniors went on to play the Jasper Place Flyers after defeating the Alexander Braves by two points in a two-game total point series. The first game in the second round was played on Sunday, March 5 in Ardrossan with Jasper Place defeating Morinville by a score of 8-4. Terry Maslyk and

Brian Telford scored each two goals for Morinville. Morinville meets Jasper Place again in Morinville on Sunday, March 19. Game time is 7:30 p.m. Come out and support Morinville.

## AROUND STURGEON

A letter from Mrs. A. Klassen of RR #4 Edmonton raises the question, especially for the large number of new families in the MD "just where are the boundaries and what are the phone numbers for reporting fires. She notes that neighbors had a fire last summer to which three fire trucks responded and also asks "Ever try finding the Fire Department in the City of Edmonton telephone directory?". The Gazette is preparing a map negative to run again showing boundaries and the numbers they serve. In the meantime Sturgeon people might like to clip the following and paste up by their phone:

## Gibbons wins over St. Albert

By Gladys Morin

On Thursday, March 9, Gibbons Seniors took on St. Albert Meteors at Legal. The final score was 7-2 for Gibbons.

The first period ending with a score of 1-1, Gibbons goal by Stan Horbachewski. In the second period Gerald McCrimmon's goal brought the score to 2-1 for Gibbons.

In the third period St. Albert players seemed to fall apart, and their tempers appeared to rise after each goal Gibbons made, which was five. Marksmen were Tom Hogg, Stan Adams, Glen Mabbutt, Lucky Christie and Lloyd Christie. The Gibbons team displayed superior passing, shooting and skating in overcoming the St. Albert team. During the third period St. Albert's team had more and more penalties and arguments with the referees.

## BE FIRE ALERT Always

sently at the General Hospital is Mrs. Helen Joy. Speedy recovery wishes.

Congratulations to Laurier Fortier upon completion of his mechanic's degree from NAIT. He will now be employed in Westlock.

Attending NAIT presently is Denis Landry who is furthering a mechanics course.

The Vimy community league board members wish to thank all those who have made the annual Cabaret Social evening a success.

Holidaying in Cash Creek, B.C. was Laurier Fortier.

Funeral services were held on Thursday, March 9 for Philippe Albert Billo-deau, 59 years of age, who passed away on March 6. Rev. A. Desjardins officiated in Our Lady of Victories Church, Vimy. Interment following in the local church cemetery.

Born in Vimy, Mr. Billo-deau married Marguerite Thuellou in 1940 where they have farmed north-west of Vimy.

Besides his loving wife, he leaves to mourn twosons Albert of Fort Saskatchewan Normand of Edmonton and one daughter, Mrs. Elsie Alletby, Edmonton, one brother Jos of Vimy, four sisters: Mrs. Alice Gagne, Vimy; Mrs. Germaine Gagne, Vimy; Miss Rose Billo-deau, Legal and Mrs. Gertrude Gagne, St. Paul.

Pallbearers were all godchildren, namely Albert Sabourin, Paul Gagne, Ray Gagne, Art St. Arnaud, Leo Fortier, Gilbert Billo-deau replacing his brother Robert.

Western Funeral Services (Tinant) Ltd., Westlock, were in charge of funeral arrangements.

To the bereaved families our deepest and sincere sympathies.

## Thank-You

On behalf of my children and members of our families, I wish to express my most sincere and heartfelt thanks for the expressions of sympathy, spiritual offerings, donations of flowers and help received at the time of the loss of my beloved husband, Jean Louis. Special thanks to Rev. Father G. H. Primeau, the organist and choir and pallbearers. Also for the use of the hall and ladies who prepared and served the lunch after the funeral. To the many friends, relatives and parishioners who have been considerate and kind to my children and myself, may I say God bless each one of you.

Georgette Champagne, Colette, Louis, Raymond and Albert.

You will spend many hours this spring putting in your crop. Give yourself an edge by seeding quality seed that will return more for your efforts

You have the privilege of using "over-quota" deliveries to pay for this edge... or a part of it. You hedge your investment edge by getting more for what you do. Better seed gives better yield.

Discuss your requirements (Bulk or Bag) with your

## Rosses enjoy life on the Oriana

Nell and Sadie Ross are on an overseas tour, and Sadie has agreed to again send us news of their travels, since so many readers enjoyed her "Travelogues" last year.

"March 2 finds us heading towards Nassau where we will dock about 5 a.m. tomorrow and will spend the day ashore there.

We left Edmonton at noon on Feb. 16 - a small blizzard had worked itself up to see us off, but fortunately it wasn't enough to delay the flight and we arrived in Vancouver without incident.

We left Vancouver on Saturday, Feb. 19 at 4 p.m. - the Oriana is a large ship capable of carrying 2,000 passengers and a crew of 900 - I believe it's about three-quarters filled.

The first night out of Vancouver was very rough sailing and on Sunday a.m. there were many green seas huddled over the rails, but we were among the fortunate ones.

Our first stop was at San Francisco where we were docked for 1 1/2 days - many passengers from Australia travelling on the Canberrra joined the Oriana there to continue their voyage to England. We had city tours in San Francisco and I think the biggest thrill was seeing all the flowering shrubs and flowers in the Japanese Tea

Garden (Golden Gate Park) - the snow-banks of Alberta seemed so far away.

We had an eight hour stop in Los Angeles - had a very interesting tour of Universal Studios which can certainly be called "The City of False Fronts" which is of course filmland's workshop.

In Acapulco the ship cannot go right into the harbor - but anchors three-quarters of a mile out and the passengers are taken into the city in the lifeboats. It's all handled very nicely with convenient stairways going down to the boats - not swinging ladders as I anticipated.

Our morning in Acapulco was quite uneventful - a visit to the market and some of the shops - we did enjoy "the cliff divers" again, but the port area of Acapulco leaves one a bit cold.

Monday afternoon we travelled in sight of coastline towards Panama. At 11 p.m. the pilot came aboard and shortly after we began to see ships anchored waiting their turn. The docks operate 24 hours a day, but large ships can only pass in the daylight. About midnight we passed under the span of a very high bridge - the lights from anchored ships, lights on the shore, the tugs taking us in and harbor patrol boats darting around like fireflies all added

to the excitement. About 1 a.m. we were guided into our berth as skillfully as many people park a car. Tuesday a.m. about 7 we started our journey through the canal.

The canal is 42 miles long and 50 1/2 feet deep at either end - for about 30 miles of this distance the water is 85 feet above sea level. The canal was cut through the Continental Divide which at the highest is about 305 feet above sea level. The Chagres River was dammed and an artificial lake developed.

The ships reach this level through a series of three locks - you have no sensation of the ship rising, except you see the "mechanical mules" (powerful electric locomotives) which run on tracks along the lock walls towing the ship. You then travel through a channel and the Gaillard Cut where the rock walls seem to be within reach (by hand) of the ship. You continue on this man-made lake with various islands and dense vegetation on the shoreline. These they refer to as "their rain forests" and do not ever want them cleared or their rainfall would diminish and the lake would suffer.

About five hours later you

come to the other series of locks where you are lowered to the ocean level and after travelling through a well marked channel make your way into the Atlantic. We stayed in port at Cristobal until 11 p.m. and then we headed out into the Atlantic towards Nassau.

Since leaving Los Angeles the temperature aboard has been between 75 and 80 degrees and the sailing in the most part very smooth. There is entertainment of

all kinds -- games, bingo, quizzes, movies, dance bands etc., and lots of time to enjoy the balmy air on deck.

We will have a day ashore in Port Everglades and also Bermuda and will arrive in Lisbon on Saturday, March 11th.

### ANNUAL MEETING St. Albert School District No. 3

Take notice that the annual meeting of the Electors and Ratepayers of St. Albert School District No. 3 will be held in the gymnasium, Father Jan School, on Tuesday, the 28th day of March, 1972 at 8 p.m., for the purpose of receiving the annual reports of the Trustees and such other business as may be brought before the meeting.

Copies of the financial statement will be available at the meeting or will be submitted upon request.

Chris McDonnell,  
Secretary-Treasurer.

## NAMAO NEWS

By Norma Crozier

The Namao 4H Buttons and Bows held their demonstration night in the church on March 6. First place went to Audrey Gibson, second - Laurel Horricks, third - Betty Gibson. Honorable mention was given to Debbie Gauthier and the team of Debbie Rye and Wendy Bowman. A lot of work went into Demonstration Night and credit goes to all the girls for their efforts. The judges for the evening were Alma Paul and Mary Clark. Debbie Rye and Wendy Bowman demonstrated "how to decorate a cake," which became a birthday cake for Gladys McLAY at the UCW meeting, and was enjoyed by all. This week the 4H girls are busy with public speaking and achievement night has been tentatively scheduled for May 1st.

The Namao Community League will sponsor a bingo in the hall on March 17 at 8 p.m.

The Namao Seniors hockey team won a two-game total point series against Gibbons 6 - 3. The Seniors play at Vegreville at 8:30 p.m. on Friday night and Saturday night for the Intermediate 'D' Provincial playdowns.

Harold and Andy Paul returned on Saturday from a two weeks vacation in Hawaii. They found the flowers in beautiful bloom as Hawaii goes into summer.

## Morinville Library News

There are many new additions at the public library. To begin, there are 50 books for children including picture books. Just to name a few: "Magic in the Valley" by Mary Calhoun; "Half Magic" by Edward Eager; "Peter Pan" by J. M. Barrie; "Daniel Boone" by Katherine E. Wilkie.

Included in this selection, are story books on Scouts and Brownies.

For adults and young adults, there is a wide selection of novels and non-fiction among them; biographies, science books, art books such as Scissorscraft, etc.

Among the new arrivals of magazines are: "McCall's"; "Needlework and Crafts"; "Newsweek"; "Today's Health" published by the American Medical Association.

The public is invited to come and view the new additions.

## Parents flock to schools - Education Week

Hon. Lou Hyndman, Minister of Education, proclaimed March 6 to 10 as Education Week. This is a time when parents are invited to visit to classrooms, and back to classrooms they came at the Georges P. Vanier and Notre Dame schools.

The students and teachers at G. P. Vanier welcomed the parents with an interesting and educational program. Most enjoyable was the cheerleading and yoga demonstration by the junior high school girls. Films - "A Look at Prejudice," "Looking at Children," Music

reorder program, values of mathematical games in teaching. Store merchandising was a "One Night Refreshment Stand" - where the students prepared and sold pie, cake, pop, and free coffee to the parents. A guest speaker, Mr. Hemmway spoke to the students and parents on how to obtain financial assistance for post secondary education.

At the Notre Dame, parents visited from the kindergarten classroom to the grade 5 rooms, varied programs were demonstrated in all the classrooms. From the 3 R's to art, drama, choral, social studies, science, rhythm band, to the sale of popcorn. The grade 5 ended their program with a broomball game. Parents visit the students at the arena.

The students and staff of the French classes 1 to 6 will be holding their open house on March 23.

The school, the teachers, and its facilities can only fulfill objectives with the co-operation of the home.

## AROUND STURGEON

Many centres in the MD have arranged to celebrate St. Patrick's day in a variety of ways. Festivals are being staged at Riviere Qui Barre rec. centre, and at Lamoureux Hall, on Friday evening. A St. Patrick's tea and bazaar goes at Gibbons Community Hall, and a St. Pat's bake sale at Legal on Saturday afternoon.

"You were married in a cage of lions?"  
"Yep."  
"Exciting?"  
"Was then, Wouldn't be now."

On March 9 and 10 Thibault School Board chairman, Matt Tellier and trustees Mrs. Yvonne Leduc, Mrs. Alice Woytkiw and Mrs. Anne Kryskow, attended the Administration Conference

held at the Macdonald Hotel in Edmonton. Trustees were told by Dr. G. Torgunrud that attitudinal changes were necessary for a progressive society.

Computers in the classroom by Dr. Herb Hallworth was demonstrated.

Under the chairmanship of Matt Tellier of Thibault Mrs. Cathy Jones, G. P. Vanier librarian, gave a presentation on the function of the community in the schools, and participation of volunteer mothers coming to the classroom and assisting teachers. Mr. Marcel Schayes, principal, of Geo. P. Vanier, gave a presentation on the special

project courses offer in Thibault with the assistance of the community businessmen and women. The presentation was very well received.

Dr. J. A. Fritz spoke on Humanization of Learning the aim of humanization learning. Concept is to give rise to increased power of responsible commitment and a creative imagination.

A presentation by M and M Systems Research was on curriculum changes necessary.

Mr. Ferd Allore presented some interesting thoughts on possibilities of summer programs and the concept of Year Round School.

## Recreation Bd. Allots \$1,000 For Worthy Projects

Five groups of students were represented at the regular meeting of the Sturgeon Recreation Board, to explain the nature of their Opportunities for Youth programs.

Opportunities for Youth a federal government sponsored program which pays the salaries for students for the summer months who plan, administer, and evaluate a program of their own

The Villeneuve Hamilton Club held a tournament on Thursday, Feb. 23, in the Sturgeon Heights School. Winners of Section one were Patricia Sheehan and Tom Tarves. Section two winners were Cathy Lema and Arlene Tarves.

## Skaters present fine carnival

On March 12 the Morinville Lions Figure Skating Club held their annual ice carnival, when Mayor Art Stapleton acted as master of ceremonies. Miss Kelly Johnson was crowned Carnival Queen, by Laurie West last year's queen. Donna Faye Borle was runner-up.

The guest skaters, Lucien and Rita Gibeault, Vivian Blackburn, Cherie and Laurie Doucet, The Canister Tango Group - eight members of the St. Albert Figure Skating Club and Jane Hardy, together with the members of the Morinville Club displayed remarkable skills for the large appreciative audience.

The Morinville Drum and Bugle Band opened the program with an excellent performance.

The executive was most appreciative of the help of Georges P. Vanier School art students, whose colorful posters decorated the ice area. Miss Mary Jean Henderson, who organized the group routines, is also to be commended.

**SUN. MARCH 19** - Ham and Cash Bingo, Villeneuve Community Hall. Time 8 p.m. Free lunch, 20 games for \$2.00.

choice.

The Recreation Board was very impressed with the projects the groups have planned and would like to congratulate them.

The board would also like to make the residents of Sturgeon aware of the way these community minded

## Meeting for new league

A proposal for forming a new "Sturgeon Valley" community league will be discussed at a meeting open to all interested people of the acreages between St. Albert and Namoanet Monday evening, March 20.

Four districts are considering the proposal: Viscount Estates, Sturgeon Crest, Sturgeon Heights,

young people have put a great amount of work into projects that will benefit Sturgeon greatly if accepted.

The Recreation Board has set aside a fund of \$1,000 to assist projects that are accepted. This is our way of thanking all of the participants for the excellent job they have done.

and Sky-Vue and the meeting will be held at the home of Andy Olson in Sturgeon Crest. An early project for consideration is a playground, which could be planned for the two-acre park reserve site in the Viscount Estate neighborhood. Mr. Olson may be contacted by telephone at 799-3991.

Everybody is welcome and a free lunch will be served. The Morinville office of the district agriculturist was pleased to issue the above press release to The Gazette.

Edmonton; second - Mr. Wm Veldemans, RR #1 Morinville; third - S. Demers, 14 Muir Drive, St. Albert.

Winners of the ticket draw were: first - Monique St. Jean, #6, 11554 - 132 St.,

second - Mr. Wm Veldemans, RR #1 Morinville; third - S. Demers, 14 Muir Drive, St. Albert.

# Van de Walle discusses future of the M. D. with Board of Trade

Reeve of MD Sturgeon, Mr. Walter Van de Walle, was guest speaker at the March super meeting of the Morinville Board of Trade, choosing as his topic "Sturgeon in the Seventies." Twenty-six members were in attendance.

Mr. Van de Walle described the MD as a wonderful area, with great potential, but pointed out that our greatest assets are people. He traced the development of the MD from 1891 to the present day. Mr. Van de Walle went on to say that he feels that Sturgeon

W. VAN DE WALLE

will remain a viable, local government.

However, the shape of the MD will change with annexations and boundary changes. He contested the changes that have been made in the past two years, with towns and villages in the MD by mutual consent, and the BACM annexation with the City of Edmonton. He pointed out that in too many cases, like the BACM annexation, the decision was made on a political basis and was not in the interest of good planning.

On the question of annexation he stated that it was necessary to establish: 1) need 2) the desires of the people; 3) Will financial hardship be caused? 4) - Is it in the interests of good planning. He felt that the BACM dispute was only a part of the urban-rural fight.

He stated that if the Hanson report was implemented that it would wipe out Sturgeon. He questioned whether it was better - unplanned expansion, or planned growth for satellite towns, country estates, etc. He feels that the provincial government must move slowly in this area and consider which of the two are to be senior - the cities or the provinces.

Mr. Van de Walle advised the board that the MD has been preparing a plan for the future. Makale and Associates, together with the

MD council have a general plan for the area, covering industrial development, residential development, transportation, land use, etc.

He mentioned that the MD is attempting to broaden the tax base with industrial development and urged every member to become involved. Industry won't just come, you have to go out and seek it.

The Reeve noted that a public hearing will be held on this plan in the near future. He suggested that the towns, villages and the MD get together and develop a strong geographic unit. Although they have some differences, they have a great deal in common.

Mr. Van de Walle stated that discussions between the MD and the towns and villages have been fruitful, and he hoped they will continue, as good public relations are important. He emphasized that elected representatives are servants of the people and stated that the administration must keep an open door policy at all times.

In conclusion he stated

that the MD "is yours and mine, and is on the verge of growth and development. Every member should get to be part of the action and promote development. It looks like a very exciting future for this area," said Mr. Van de Walle.

A lengthy question period followed.

Due to the fact that the regular super meeting date for April was Easter Monday, it was passed that the regular April super meeting be held on the second Monday, April 10.

Among the guests present were Mayor Arthur Stapleton; town councillors Harvey Atkinson and Tom Houle; and school officials Thibault district - chairman Matt Teulier, deputy chairman Roger Blackburn and board members Ann Kryskow and Yvonne Leduc. Emile Houle, Cecile Gregoire were also present.

A unanimous vote of thanks was extended to the reeve for his most informative and interesting address.

By Lucienne Montpetit

An outstanding movie - "The Red Badge of Courage," starring Audie Murphy, will be shown Saturday night, March 18 at the Legal Community Hall, starting at 8 p.m.

Congratulations to Mr. and Mrs. Harold Halls who are the proud parents of a charming baby daughter Joanne born on March 5.

Get well wishes are extended to Mrs. Kathleen St. Martin and Emile Larose who are patients in the hospital.

An organizational meeting for the Fete au Village was held last Monday and the next meeting will be held on April 17.

Remember the St. Patrick's bake sale on March 18 at the Legal Co-op sponsored by the CWL.

Les Femmes Chretiennes will hold a turkey and ham

## MEETING NOTICE

The annual meeting of the Legal Recreation Board will be held in conjunction with the Legal Village Council Annual Meeting on Monday, March 21st at 8 p.m. at Town Hall.

## Legal Annual Mini-Capades Packs Local Arena Sunday

By Lucienne Montpetit

The Legal Arena was packed with enthusiastic spectators for the annual Mini-Capades held last Sunday. The Hawaiian theme was the one chosen for this year's event.

The afternoon program was opened by the singing of the National Anthem - O Canada, followed by a welcome address by Miss Fete au Village (Bonnie Campbell).

Mrs. Doreen Brisson did a fine job of commenting for the local program.

The Mini-Miles hockey teams were a real delight when they tangled with St. Angela's team from Edmonton. The Legal team topped them by a score of 2 - 1.

The beautiful Hawaiian music brought on the Legal figure skaters in their routines as solos, duets and trios.

The various group performers were all costumed in Hawaiian grass skirts, with colorful orange leis and matching flowers in their hair. Various group performances were well presented.

The beginners group included: Sheryl St. Martin, Joanne Fiser, Bonita Cyr, Angela Golden, Doris St. Jean, Elizabeth Doblanko,

and Michelle Pelletier.

The advanced beginners were: Marie Letourneau, Gisele Brisson, Cindy Moncrieff, Yvonne and Yvette Pelletier and Carmen St. Jean. The girls skating in the preliminary and bronze were: Launa Moncrieff, Angel Coulombe, Doreen La Berge, Dolores Letourneau, Lorraine Chamberland, Marlene Zilinski, Pauline de Champlain, Laurette Douzleeh, Michelle Brisson, Rachelle Letourneau and Loretta Fizer.

The progress of the girls is something the community is very proud of and they deserve encouragement.

A comic act by 10 young clowns was a crowd-pleaser with their hilarious stunts on the ice. The clowns in their disguise were: Darcy Pelletier, Denis de Champlain, Richard Charrois, Myrna Moncrieff, Clarence Lamenan, Richard Nault, Donald Chamberland, Mark Ozpiko, George Van de Walle and Laurie Charrois.

Mrs. Doreen Brisson presented the skating instructor with a souvenir on behalf of the girls.

The Mini-Capades were pleased to welcome some 70 skaters from the Edmonton Federation of Community Leagues with Mrs. Rose Ripluk commentator for their performances.

Guest Skaters: Solos - L. Harasman, P. Karpluk,

L. Foglander, C. Fedorak, L. Mitchell, T. Lasowski, S. Werstruk, D. Prazak, Pairs - Carol and Margaret Coney, Sharon Maloney and Laurette Baron, Carleen Horton and Stella Baza, Ice Dancing - Mary Stesaulik and Carl Fedorak, Senior Bronze - Carol Coney, D. Brozak, P. Carpluk, L. Harasman, Lou Gibeault, Rita Gibeault, Preliminary - Carol Coney, Ronny Wright - Carol Coney - Continental Era - Kennilworth Dance Class.

To conclude the afternoon the husbands and wives had a hilarious time playing a game of skemokey.

The ladies won the game by a score of 4 - 2, not to mention that those poor ladies had a hard time to handle their stick but still managed to put the puck in the goal (with their hands) when not possible otherwise.

The men were real good sports and didn't tackle or check the "weaker team."

The recreation board and the Figure Skating Club wish to express gratitude to everyone for their co-operation in organizing the Mini Capades and to all the supporters who made it bigger and better than ever.

ANNUAL MEETING OF THE LEGAL SCHOOL DISTRICT 1738 MARCH 22 -- 8 P.M. Legal School Gymnasium

## LEGAL LOCALS

bingo Sunday, March 19 at the community hall, 8 p.m.

The ratepayers are reminded that the annual meeting of the village will be held Monday, March 20 at the Municipal Office.

The annual meeting of the Legal School District 1738 on March 22 in the school

gymnasium at 8 p.m.

The diocesan committee of Les Femmes Chretiennes will be in Legal, Monday, March 20 at 8 p.m. in the Recreation Centre to meet the ladies and answer any questions they might have. We invite all members to come and meet your newly elected executive.

## MORINVILLE MEMOS

By Rose Martel

The annual meeting of the Thibault school district was held Monday evening in the G. P. Vanier music room, with 26 present. Matt Teller, chairman, opened the meeting, and secretary P. E. Brochu was present. Norman Chalfoux was elected chairman for the annual meeting procedure with Mr. Brochu as secretary. The annual reports were read and discussed. Among the highlights of the evening discussions that followed, were the financial report, adult education and the semester system of education at Morinville schools. It was decided that at some later date an opportunity would be given to the parents and taxpayers who are interested to discuss the semester system cost of operation and other factors of local education at a regular or special meeting.

On Saturday March 11 the Morinville Lions held their annual bouspiel frolic and social with 12 rinks participating. Ed Kryskow rink, with Helen Rousseau, Bernard Houle and Ed Barr, won the first event after trying for top honors with the Gordon Hittinger rink. Lion Hittinger foursome won the second prize with Barry Edwards, Jim Rousseau and Lloyd Granger. Lawrence McDonald took third prize with Mary McDonald, Louise Desnoyers and John Mason participating against the Georges Morris rink. Following the finals the entire crowd and invited guests, sat down to a buffet supper and a very enjoyable social evening followed with local orchestra music and refreshments.

On Sunday the Georges P. Vanier high school held their annual Fun Fest Spiel with Denis Telford in charge of draws in the points spiel. Kelvin Saltern skipped his rink to top prize money with 78 points, with Norman Borle and Theresa Warren playing double duty. Bill Mason foursome came in second with 63 points, with Paul Telford, Dianne Rousseau, Marge Reamsus, Ann Soper placed third with a total of 60 points, helped by Larry Skinner, Joanne Legge and Vincent Craig. Denis Telford won a very hard fought fourth place with a total of 42 points with Paul Dupuis, Jack Dupuis and Richard Anderson. Gilbert Bennies placed fifth, with a total aggregate of 22 points with Camille Remillard, Joyce Foster and Glenn Behiels.

Congratulations to Robby-Brooks Found, who made a record breaking heavy-weight entry into the Sturgeon General Hospital on

March 11 tipping the scales in his brand new birthday suit at 10 lbs. 4 oz. He is the first born son of Mr. and Mrs. Robert Found of Morinville and a brother for Christine, Grandmother Toul Found, was very happy to welcome her seventh grandchild, and grand-children Harve and Solange St. Onge are still popping buttons over the grand event.

Among those reported in hospital are: Mrs. Richard (Oiga) Kleser, recovering from a knee injury, which required surgery. Andy Gervais, Mrs. Victor Tourangeau and Mrs. Garnet Willey.

Miss Joanne Bachand is back at school after a long stay in hospital. Bert Craig and Stanley Bennies are back at home also.

Mr. and Mrs. Arthur Richard and family are settled in their new recently purchased residence, just west of the Woynay building on west main street.

Morinville is happy to welcome Mr. and Mrs. Georges Kafeyre and family who have purchased the large two storey home on west main street formerly owned by Robert Teller.

Final preparations are being organized for the March 26 annual parish supper and \$500 cash bingo scheduled for the Morinville Recreation Centre. Supper hours 5 - 7 p.m. Bingo to follow.

Mrs. Rose Williams was guest of honor at a family social held at the home of Mr. and Mrs. Matt Hittinger last weekend on the occasion of her 83rd birthday.

The Morinville Double 'C' Investment Club held their annual banquet and election of officers for the coming year on Thursday, March 9, with some 20 present in the Morinville Legion Hall. President Frank Volmer welcomed the members and their guests along with vice president Harvey Vranas, secretary Alve Bokenfohr, treasurer Marie Paule Richard. The financial report was read and approved and a lively period of discussion followed on the future of the club.

For the annual meeting Frank Volmer was acting chairman and Gerard Pelletier secretary. Elected for the 1972 term were: President Raymond Gibeau; vice president Roger Blackburn; secretary Fred Kleser; treasurer Oscar Gibeau. The evening was spent in friendly discussions and refreshments were served.

Among those who participated in the fly-in to Racine Wisconsin, for a 48 hour Case seminar from the district were - organizer and chief Case representative in the MD of Sturgeon, Pat Sheehan of Villeneuve and some 35 others from the district including Maurice Schayes, Ulyce Fortier, Alfred Kleser of Morinville.

The Morinville Fire Brigade answered a fire alarm on Thursday, March 9 before 7 a.m. and raced to the Homer Devolder farm, located some eight miles west of Morinville. Fortunately the family had snuffed out a fire which had started in the basement according to reports received, in the early morning before the brigade reached the farm home, which was saved from serious damage.

Miss Minnie Boech was a visitor to Morinville last week. Also Mr. and Mrs. Pierre Lessard of Legal were Morinville visitors.

### Gibbons Club elects officers

By Debbie Demers

The Gibbons Garden Club held its reorganization meeting on October 19, 1971 in the Gibbons School. Members are as follows: Dean Malher, Greg Sawchuk, Shane Allison, Maureen McConnell, Dianne Gordon, Albert Goutbeck, Janet Lamoureux, Allan and Myrna McCowan, Robert Paradis, Cydney Moore, Janet, Judi and Debby Demers.

Officers elected are -- President Robert Paradis; vice president Judi Demers; secretary Debbie Demers; treasurer Dianne Gordon; club reporter Cydney Moore lunch committee Janet Lamoureux; entertainment committee Albert Goutbeck. Our leader is Mrs. Edith Visscher; assistant leaders are Mrs. M. Paradis, Mrs. E. Demers and Mr. Jim McCowan.

The club had a bake sale on December 18 at the IGA in Fort Saskatchewan and a Christmas party where we exchanged gifts at the Demers home on December 29.

Public speaking will be held April 3 at the Gibbons School at 7:30 p.m. for our club. Everyone is welcome.

## ANNUAL MEETING of the STURGEON School Division No. 24

will be held at the Gibbons School

on Monday, March 27, 1972 commencing at 8:00 p.m.

(Coffee will be served from 7:30 p.m. to 8 p.m.)

## BON ACCORD

By Sadie Allen

Parents were privileged to see their children hard at work on Thursday, March 8, when the teachers and students of Bon Accord held Open House in observance of Education Week. Classes carried on as usual. Parents watched a gym period featuring a basketball game, a science lesson where TV was used as part of the lesson presentation, and a very interesting puppet show in the library put on by the primary grades. During the noon hour the Junior High Brass from Londonderry, the Senior High Band and the String Orchestra from LaZerte put on a most enjoyable concert. Members of the cheerleaders dispensed coffee and doughnuts, proceeds going to pay for their uniforms. The day was topped off with a basketball game between the LaZerte girls' team and our own Junior High.

4H Speak-offs get underway with junior members of the Light Horse, Beet and Clothing Clubs being slated for March 17 at 7:30 in the Bon Accord Community Centre and senior members speaking on March 24, same time, same place. This year, Bon Accord and Gibbons Clothing Clubs are holding a combined Achievement Day to be held in Gibbons on April 15. Judging takes place at 10 a.m. and the program at 2 p.m. All these 4H events are open to the public and an audience is highly appreciated by the young people.

The Art Club held a well attended session on March 9. The final lesson will be held on March 23 and students are reminded to bring all paintings worked on during the past season. This can include Latex work. A public display and tea is being planned for a Sunday afternoon in late April or early May. Watch for it!

Congratulations to Lars and Norine (nee Irmen) Nielson on the birth of their second son. Proud grandparents are Al and Doreen Irmen.

Physical culture classes have folded up for the summer but will go again next fall if enough are interested. A physical display will be held at Ross Shepherd High School in Edmonton on April 23 from 1:30 to 4:30. Participants will be from groups like our own from surrounding areas.

On March 4, the Young People of the Namo Pas-toral charge held a service in the Bon Accord United Church featuring special music and guest speaker Mrs. Hodgins, a missionary from India. As Rev. Miller was in hospital undergoing surgery the Sunday morning service on March 5 was taken over by the Bible Study group. Get well wishes are extended to Rev. Miller.

A busy week for Rita Milligan, who entertained the Anglican Church Women on Tuesday afternoon and the Ladies Community Club on Wednesday evening. The ACW are working on the patchwork quilt which is their donation to Cubs, Brownies and Guides and will be raffied by the young people later on. The LCC finalized plans for the Fest they are holding on March 18. Patrons are asked to bring their own bugs.

Senior hockey boys gathered in their first Provincial series by topping St. Albert 1 - 1 on Sunday, March 5, after dropping their first game 5 - 4. On Friday, March 10, they won the first game of the second series by edging out Legal 7 - 6. The second game has been forfeited by Legal. Next series will be against Jasper Place.

Peepees tied Morinville 2 - 2 on Thursday, March 9

In the first game of their second Provincial series.

Get well wishes are extended to Archie Jenkins who is a patient in Sturgeon General Hospital.

A small but interested crowd turned out to the Village of Bon Accord annual meeting. Treasurer's report showed the village in a good financial position. Several projects are on the agenda for the coming year including installation of hydrants for the town and the acquisition of fire-fighting equipment.

Home from a holiday at the Coast are Mrs. E. Plumtree and Mrs. Doreen Brennan.
